Terms and conditions

Our Guarantee and Commitment to you

- We will give you all the information and training you need to complete this course to a safe and very high standard
- We will only use fully qualified PADI professionals chosen for their professionalism and ability to teach scuba

Your Commitment to us

- All E-Learning and/or self study knowledge reviews must be completed before the course start date.
- If your physician decides you are not fit to dive we will only refund your Course fee if the PADI materials have not been opened or used. For full refund, leave the materials sealed until you have passed your occupational diving medical. For E-Learning students we are unable to refund the E-Learning fee
- In the event of course non-completion on the part of the student, the course cost is non-refundable.
- For your safety, during your training excessive consumption of alcohol and/or drugs is prohibited. You are required to arrive at the required time for the duration of the course.
- For your own safety our company policy requires any equipment used during training to be inspected and approved by our Training Manager. If you are using your own equipment it must be within current service of 12 months.

I have read the above commitments and agree to these terms and conditions

PADI (Professional Association of Dive Instructors) is the world's largest and most recognised dive training organisation. PADI was introduced to ensure high standards of Recreational Diving are met, equipping you with the skills and knowledge to dive independently with a buddy anywhere in the world.

For divers and instructors this means a high level of quality and safety are guaranteed. It also provides the opportunity to have their qualifications recognised internationally.

For Goat Island Dive this means we follow safety-related guidelines, describing how the typical activities of a service provider should be carried out. These guidelines include high standards for training, equipment hire, and dive trips.

What does it mean to be a PADI Divemaster?

- PADI is the most widely known and recognized Diver Training Organisation
- Divemaster is the first qualification in the PADI Professional career path
- As a PADI DM you can work anywhere in the world at dive centres, at exotic resorts, and on liveaboard yachts
- You can assist PADI Instructors with students
- You can lead certified divers on Discover Local Diving experiences
- You gain access to PADI's On-line Professional Members job network worldwide
- You will bring your dive training to the next level and become a PADI Open Water Scuba Instructor

We are a reputable family owned and operated PADI 5 Star Resort and charter operation. Over the last 10 years we have successfully taught over 1300 people how to dive safely and confidently. Diving is our passion.

OUR MISSION - To consistently deliver superior PADI Scuba Education, exciting Outer Gulf Dive Trips and memories that last a lifetime!

We specialise in diver training up to the professional level. Courses include Discover Scuba Dive experiences at the Outer Gulf Islands, Open Water Dive Courses starting each week, Continuing Education Courses at Outer Gulf Islands, Monthly Specialty Courses and lastly, the Divemaster Internship Course. We also provide services such as Cylinder Filling, Snorkel and Dive Hire/Retail and guided beach dives.

Outer Gulf Charters is the dive charter operation of Goat Island Dive. Servicing the local coast from Goat Island to Tawharanui Marine Park and venturing out to the beautiful Islands of the Hauraki Gulf. Offering untouched diving and top side beauty at Great Barrier and Little Barrier Islands, Sail Rock, Hen and Chickens group and the Mokohinau Islands. MV Apollo, our customized 13m dive boat boasts fast travel and all diver amenities, including NZ's first Diver lift!

Course schedule – Choose either our Part Time Internship or Full Time course

Part Time - The Internship program is specifically designed to suit the student with commitments outside of diving. This course gives you added experience and develops your skills over time, ensuring you are confidently ready to work as a PADI professional once completed.

Full Time – The full time course is completed over 2 weeks. This course is a great option if you are short on time. Please note, this course is for Rescue Divers with above average diver skills and confidence levels.

The Divemaster Course (Part and Full Time) is split into several sections.

1. Self Study and Dive Theory

- Completed online using PADI E-Learning
- Knowledge development segments and reviews are completed before your course starts
- Final Exams will be conducted on the first day of the course

2. Stamina Exercises and Rescue Evaluation

- Evaluated by your instructor in the beginning of the DM Course

3. Confined Water Skills and Dive Skills Evaluation

- Developing Demonstration-quality Skills
- Mapping Project
- Equipment Exchange
- Divemaster Conducted Programs

4. Practical Skills

Part Time Internship Course

- Developing professionalism with hands on real customer experience
- Participation in a range of PADI Dive courses and supervisory situations with certified divers
There are compulsory dates over the end of November, beginning of December period however the part time Internship option allows you to fit most of your DM training on weekends through December, January and February (see training dates below).

Full Time Course

- Developing professionalism with hands on experience
- Participation in a range of PADI Dive courses and supervisory situations with certified divers
Please contact us to arrange a suitable course schedule

Included in the course

- All PADI Divemaster E-Learning fees and PADI DM Crew Pak materials (valued at NZ\$650)
- Your OSH COC (Certificate of Competency) fee
- All cylinder hire and personal air fills
- All Pool and Confined water training fees
- All OGC (Outer Gulf Charter) Boat fees
- Hands on training with our Goat Island Dive Team members, students, customers, and Outer Gulf Charters
- SCAP Cylinder Filling course and certification fee

Course Investment

NZ \$2250

*If you are using your own equipment for the course it must be serviced within the last 12 months. This equipment must pass an inspection by the Training Manager and comply with the Equipment Standard list (see below)

**If you prefer to hire your equipment for the entirety of the course you may do so at a rate of \$1000 in addition to the course price. Please note your safety and accessory equipment is not available for hire

142a Pakiri Rd, Leigh, Auckland, NZ. PO Box 146, Leigh, Auckland, NZ

Divemaster Candidate Prerequisites

- Minimum of 18 years of age
- Fluent in English
- Certified PADI Advanced Open Water Diver and PADI Rescue Diver
- Completed EFR Primary and Secondary Care within the last 24 months
- Passed a Occupational Diving Medical within the last 12 months. Priced around NZ\$250. Ask us for more information www.hbot.co.nz
- 100 Logged dives, including 2 night dives, 2 navigation dives, 2 search & recovery dives and 4 deep dives (deeper than 22m)

What you need to supply?

- Verification of all prerequisites
- Underwater water watch, Safety Sausage, Knife, Topside and underwater signaling device
- Personal or Hire Equipment

Required Equipment for DM Candidates*

- BCD
- Balanced Regulators
- Dive computer
- Underwater watch
- Weight system and weights
- Adequate thermal protection suitable for NZ (5mm or 7mm)
- Open Heel Dive Fins and Boots
- Mask and Snorkel
- Dive Bag to include all gear
- Accessories required: Gloves, Primary Dive Torch & Backup, Dive Knife, Safety Sausage, Signal Device for topside and underwater.

***Quality dive gear is a necessity to reach the professional level of diving that you are striving for. At the Rescue Diver level, and as an aspiring PADI Professional each individual diver should own his or her own dive equipment. If you do not have your own equipment, we have top line dive packages that can be tailored to fit you as an individual and your specific diver needs**

Our Guarantee

We will give you all the information and training you need to complete your course to a safe and very high standard.

We will only use fully qualified Instructors chosen for their professionalism and ability to teach scuba. If weather hampers completion of your course we can re-book you, available space permitting according to our course and trip schedules.
