## Alaska Health Education CONSORTIUM

A statewide organization of health educators  
and other members dedicated to health  
education and health promotion in Alaska.

*Knowledgeable choices for optimum health—since 1976*

## BENEFITS OF **M E M B E R S H I P**

---

AHEC's membership includes individuals and representatives from tribal health organizations; educational institutions, nonprofit health organizations, government health agencies, and private consultants. Alaskans who are interested in health education and health promotion are also invited to join.

Membership allows professionals to keep current on the priorities and activities of state and local health departments and organizations. Meetings are held to offer continuing education, review policy recommendations and share member updates on activities and programs. The annual meeting is held in Anchorage in the fall. Additional meetings during the year may be held in Anchorage, Juneau or other rural locations as possible.

## OUR **P U R P O S E**

---

The Alaska Health Education Consortium, founded in 1976, is a statewide organization whose purpose is to provide leadership toward the advancement of health education and health promotion in Alaska.

## **C O M M I T T E E S**

---

As an AHEC member, you can make a contribution to health education and health promotion statewide by participating in one of the four standing committees:

**ADVOCACY** – Advocates and influences health education and health promotion related legislation and policy on local and state, and national levels.

**CONTINUING EDUCATION** – Coordinates professional development opportunities. Approves and promotes continuing education credits for Certified Health Education Specialists (CHES).

**MEMBERSHIP** – Maintains membership communications and recruits new members and organizations.

**MARKETING** – Promotes the organization and the benefits of participating. Provides awards in recognition of excellence in health education and health promotion in Alaska.

## JOIN **A H E C**
