Provide a brief statement of the PHA’s progress in meeting the mission and goals described in the 5-Year Plan.</p> <ol style="list-style-type: none"> 1. Continue to increase the availability and quality of decent, safe and affordable housing. <p>During the last ten(10) years the Panama City Housing has diligently made an effort to improve its physical plant to be more competitive with the existing market in the Bay County area.</p> <p>Utilizing our Capital Funds we have completed the following:</p> <ol style="list-style-type: none"> 1. Completely air conditioned all 450 apartments. 2. Replaced all kitchens and retrofitted for 450 apartments. 3. Completed retrofitted all bathrooms of 380 apartments. 4. Replaced all windows in 450 apartments with dual pane thermal windows. 5. Replaced all refrigerators and stoves in 450 apartments. 6. Roofed all 450 apartments with metal roofing. 7. Completely replaced floors in 380 apartments <p>The Capital Fund budget over the past couple of years has indicated that we continue to be aggressive in replacing needed items in our apartments complexes. When I completed the most recent five year plan at the beginning of 2008 we showed a total of four hundred thousand in our 2007 Capital Fund grant. We had not approached or spent any money in our 2008 Capital Fund of approximately seven hundred thousand dollars. The 1.1 million dollars covered all of our items that we anticipated in our five year plan. I hope you can see that due to the excellent work of the staff that the Panama City Housing Authority has made excellent gains over the past 10 years. Previously the physical needs of the apartments had been grossly neglected.</p> <ol style="list-style-type: none"> 2. Improve Community quality of life Community Services: Continue to provide resident information on all HUD programs as related to public housing. Meetings conducted with residents regularly to notify residents of PCHA obligations and resident compliance to HUD regulations. Encourage participation of all residents in the Resident Council Meeting and to interact with residents to provide follow-up and explain services requirements. Maintain records of resident services. <p>Quality of Appearance: The PCHA has worked hard, and continues to concentrate on appearance (curb appeal) for greater support of the neighborhood. Control of property is the utmost importance and the PCHA enforces the lease and works with the police department to ensure control. PCHA has provided security cameras, perimeter lighting and completed outside punting.</p> <ol style="list-style-type: none"> 3. Promote self-sufficiency: The family self sufficiency program was not funded in 2007, 2008 or 2009. We plan to aggressively re-enter this valuable program. 4. Community Partnered with Boys and Girl Club to implement an after school program for children of Gardner Dickinson and Henry Kirkland Apartments. <p>(b) Significant Amendment and Substantial Deviation/Modification. Provide the PHA’s definition of “significant amendment” and “substantial deviation/modification”</p>

PANAMA CITY HOUSING AUTHORITY VAWA POLICY

PANAMA CITY HOUSING AUTHORITY HAS ADOPTED THE BELOW POLICY IN ACCORDANCE WITH THE VIOLENCE AGAINST WOMEN AND DEPARTMENT OF JUSTICE REAUTHORIZATION ACT OF 2005:

3-111.G. PROHIBITION AGAINST DENIAL OF ASSISTANCE TO VICTIMS OF DOMESTIC VIOLENCE, DATING VIOLENCE, AND STALKING {Pub.L.109-162}

The Violence against Women Reauthorization Act of 2005 (VAWA) prohibits denial of admission to an otherwise qualified applicant on the basis that the applicant is or has been a victim of domestic violence, dating violence, or stalking. Specifically, Section 606 (1) of VAWA adds the following provision to Section 8 of the U.S. Housing Act of 1937, which lists contract provisions and requirements for the housing choice voucher program:

- That an applicant or participant is or has been a victim of domestic, dating violence, or stalking is not an appropriate reason for denial or program assistance or for denial admission, if the applicant otherwise qualifies for assistance or admission.

Definitions

As used in VAWA:

- The term domestic violence includes felony or misdemeanor crimes of violence committed by a current or former spouse of the victim, by a person with whom the victim shares a child in common. By a person who is cohabitating with or has cohabitated with the victim as a spouse, by a person similarly situated to a spouse of the victim under the domestic or family violence laws of the jurisdiction receiving grant monies, or by any other person against an adult or youth victim who is protected from that person's acts under the domestic or family violence laws of the jurisdiction.
- The term dating violence means violence committed by a person who is or has been in a social relationship shall be determined based on a consideration of the following factors:
 1. The length of the relationship
 2. The type of relationship
 3. The frequency of the interaction between the persons involved in the relationship

- The term stalking means:
- To follow, pursue, or repeatedly commit acts with the intent to kill, injure, harass, or intimidate: or
- To place under surveillance with the intent to kill, harass, or intimidate another person; and
- To place under surveillance with the intent to kill, harass, or intimidate another person; and
- In the course of, or as a result of, such following, pursuit, surveillance, or repeatedly committed acts, to place a person in reasonable fear of the death of, or serious bodily injury to, or to cause substantial emotional harm to (1) that person, (2) a member of the immediate family of that person, or (3) the spouse or intimate partner of that person.
- The term immediate family member means, with respect to a person:
 1. A spouse, parent, brother or sister, or child of that person, or an individual to whom that person stands in the position or place of a parent ; or
 2. Any other person living in the household of that person and related to that person by blood and marriage.

Notification and Victim Documentation

PHA Policy

The PHA acknowledges that a victim of domestic violence, dating violence, or stalking may have an unfavorable history that would warrant denial under the PHA'S policies. Therefore, if the PHA makes a determination to deny admission to an applicant family, the PHA will include in its notice of denial a statement of the protection against denial provided by VAWA and will offer the applicant the opportunity to provide documentation affirming that the cause of the unfavorable history is that a member of the applicant family is or has been a victim of domestic violence, dating violence, or stalking.

The documentation must include two elements:

A signed statement by the victim that provides the name of the perpetrator and certifies that the incidents in question are bona fide incidents of actual or threatened domestic violence, dating violence, or stalking and

One of the following:

A police or court record documenting the actual or threatened abuse, or

A statement signed by an employee, agent, or volunteer of a victim service provider; an attorney; a medical professional; or another knowledgeable professional from whom the victim has sought assistance in addressing the actual or threatened abuse. The professional must attest under penalty of perjury that the incidents in question are bona fide incidents of abuse, and the victim must sign or attest to the statement.

The applicant must submit the required documentation with her or his request for an informal review (see section 16-III. D) Or must request an extension in writing at that time. If the applicant so requests, the PHA will grant an extension of 10 business days, and will postpone scheduling the applicant's informal review until after it has received the documentation or the extension period has elapsed. If after reviewing the documentation provided by the PHA determines the family is eligible for assistance, no informal review will be schedule and the PHA will proceed with admission of the applicant family.

Perpetrator Removal or Documentation of Rehabilitation

PHA Policy

In cases where an applicant family includes the perpetrator as well as the victim of domestic violence, dating violence, or stalking, the PHA will proceed as above but will require, in addition, either (a) that the perpetrator be removed from the applicant's household and not reside in the assisted housing unit or (b) that the family provide documentation that the perpetrator has successfully completed, or is successfully undergoing, rehabilitation or treatment.

If the family elects the second option, the documentation must be signed by an employee or agent of a domestic violence service provider or by a medical or other knowledgeable professional from whom the perpetrator has sought or is receiving assistance in addressing the abuse. The signer must attest under penalty of perjury to his or her belief that the rehabilitation was successfully completed or is progressing successfully. The victim and perpetrator must also sign or attest to the documentation. This additional documentation must be submitted within the same time frame as the documentation required above from the victim.

PHA Confidentiality Requirements

All information provided to the PHA regarding domestic violence, dating violence, or stalking, including the fact that an individual is a victim of such violence or stalking, must be retained in confidence and may neither be entered into any shared database nor provided to any related entity, except to the extent that the disclosure (a) is requested or consented to by the individual in writing, (b) is required for use in an eviction proceeding, or (c) is otherwise required by applicable law.
