OPW Launches New Mobile Website for iPhone and Android

HAMILTON, OHIO – June 13, 2012 – OPW Fueling Components, A Dover Company (NYSE: DOV) and the global leader in commercial and retail petroleum equipment, is pleased to announce the availability and launch of the new OPW Mobile Website. iPhone and Android™ phones will automatically be redirected to the mobile site when visiting www.opwglobal.com, and the site can also be accessed by going to www.opwglobal.com/mobile. Designed to provide streamlined, user-friendly navigation and custom search tools to bring users relevant information with speed and accuracy, the new OPW mobile site includes resources for distributors, technicians and site owners.

“The launch of OPW’s new mobile website is a perfect example of our previous stated goal of leadership through innovation, customer-centricity, and global expansion,” says OPW President, David Crouse. “Smartphones and tablets are becoming more and more prevalent in our lives and we are proud that OPW is able to make use of this technology to offer a leading-edge productivity tool that should be an invaluable resource for our customers.”

The new mobile website has been designed to provide quick access to key functions and useful OPW reference information, including:

- **Distributor Locator:** Quickly find an OPW distributor around the globe by Name, Country, State or Province, and Postal Code
- **Technical Documents:** Access a complete list of manuals for OPW Fueling Components, OPW Fueling Containment Systems and OPW Fuel Management Systems products
- **Nozzle Warranty Lookup:** Enter the nozzle model and serial number to easily check its warranty status
- **Contact OPW:** Provides quick access to contact information for OPW Technical Support, Customer Service and Product Sales
- **Access Full Site:** A quick link to the full OPW website is conveniently located at the bottom of the home screen
