*“MUSIC... Notes to the Future”*

May 1 – 8, 2016  
93<sup>rd</sup> Annual

**PURPOSE:** To celebrate National Music Week, the first full week of May each year, to focus attention on the value and enjoyment of MUSIC throughout our nation, to make aware of the importance of all forms of music in our lives, and to encourage the participation of both the performer and the listener.

**THEME:** *“MUSIC...Notes to the Future”*

**CONTEST RULES:** Only drawings dark enough to be reproduced will be considered. Therefore, all designs must be submitted as **original black and white drawings**. If a pencil is used, it **MUST** be traced over with a fine black marker. Designs must be based on the theme. Bookmark designs may be vertical or horizontal, but must fit into the space provided below. Bookmarks will be judged on neatness, how well they relate to the theme, and artistic ability. Only one submission per student is allowed. Past Overall Winners whose bookmarks have been printed are ineligible for the Overall prize; however, they are eligible for a Division prize.

**AWARDS:** Medals will be awarded to winners in each division. A trophy will be presented to the Overall Winner, and that design will appear on the MMC bookmark. The bookmarks will then be distributed to the Jefferson Parish libraries and schools during National Music Week.
