COLLEGE SOCCER ID CAMP 2015

The College Soccer ID Camp was formed in 2010 to provide aspiring college soccer players a snapshot of collegiate soccer in a challenging and competitive environment.

The 2014 CSI camp at Muhlenberg was a huge success and early indications are the camp will sell out again this year. The CSI Camp at Muhlenberg will be capped at 150 players, giving a player to college coach ratio of about 9:1 and in most cases 2 college coaches per training group.

Some of the top academic and soccer Division I, II & III Schools will be represented at the 2015 camp.

Open to all rising freshmen, sophomore, junior and senior high school boys.

NEW – FUTURES 7TH & 8TH GRADE GROUP

CSI COACHING EDUCATION

A one of a kind soccer coaching educational experience. CSI has excelled at preparing HS/ Club soccer players for the next level. Now we are committed to helping coaches prepare to take their teams to the next level. In our unique educational environment coaches will experience first hand how to prepare their team... Designing preseason – including enhancing team chemistry, attacking concepts in final third, defending zonally, functional position training, game day management and making adjustments in the game. Dealing with different scenarios such as: Playing down a man, playing with a goal advantage or down a goal and half-time considerations. Other topics to consider... how to keep your players fresh while meeting the physical demands of the game and more than Nutrition....
