

Encore Dance Class Behavior Expectations

I understand that participating in Boys & Girls Club dance program is a privilege, not a right. All that I must do as a club member to retain the privilege of attending Boy & Girls Club programs is to make a contribution of good behavior by following the Club Member Agreement.

I Agree To Be Safe

1. I will wait in designated area for instructor.
2. I will not leave area without permission.
3. I will sign out if I'm picked up during dance.

I Agree To Be Responsible For Myself

4. I will bring appropriate clothing for class (loose fitting leggings, shorts or sweats)
5. I will pick up all my items and the end of each class and return promptly to B&G programming.
6. I will be in the area on time and ready for instructor

I Agree To Cooperate

7. I will follow the dance instructor's direction at all times.
8. I will work as a team member and be supportive of other club members.

There is a big performance in May with many other dancers from different studios so it is very important that members make a commitment to not missing more than one practice starting November 1st, 2010. Starting January 3rd, 2011 members who continually miss days will not be performing in May.

Payment fees are due each month and regardless of a members attendance the full amount for each month is due.
