For us, insurance is about creating certainty rather than doubt. Instilling confidence and peace of mind instead of fear. We do this by getting to know the people we do business with and treating them fairly. Our policies are tailored to the needs of each customer, and we provide a broad range of covers often not available from other insurers.

We are renowned for our award winning service. We came top in the Insurance Times 2011 Broker survey for overall service to our brokers. At the heart of our service is a promise to pay. Our consistently high ratings for financial strength from AM Best and Standard and Poor's assure our customers of our ability to pay claims, now and in the future.

Directors and Officers Liability

This provides the directors, officers and/or trustees of the club with protection against civil or criminal lawsuits and regulatory proceedings. Without this cover members are placing their entire personal assets at risk. The cover provides a pool of money that can be drawn on to fund defence and settlement costs and to pay for the costs of legal representation at investigations.

Clubs may not immediately conjure up thoughts of disputes and litigation. However, life can be as complicated for these bodies and their trustees as it is for commercial companies and their directors. Current case law and statute can create a personal and unlimited liability for trustees. This means that without adequate insurance protection, civil or criminal lawsuits, and regulatory proceedings against trustees put his/her entire personal estate at risk.

Potential Sources of claims for Incorporated Clubs:

employee rights and obligations	accusations of mismanagement
breach of fiduciary duties	insolvency
health and safety investigations and/or prosecutions	libel and slander
intellectual property infringements	trading standards

Claims Example: a director faced criminal prosecutions for alleged breaches of health and safety legislation, which resulted in the accidental deaths of two employees.

Claims Example: whilst the Club was in receivership, a director signed a company cheque to pay a key supplier. The cheque was dishonoured and the director was found personally liable for the amount of the cheque.

Potential Sources of claims for Unincorporated Clubs:

employee rights and obligations	tax
property	libel and slander
winding up	trading standards

Claims Example: committee members of a Club who employed an incompetent person to repair a stand were held personally liable to people injured when the stand collapsed.

Claims Example: a Club held its alcohol sales licence in its treasurers name. A trading standards officer found short measures being sold at the group's premises. Defence costs were incurred in defending the treasurer in the criminal proceedings which resulted.

For full details of the policy and a list of exclusions you should refer to the policy wording, a copy of which is available on request.

The insurers of the Directors and Officers Liability Section of cover are Chubb Insurance.
