

Pray for change from the inside out: October 2012 prayer update

Change from the inside...

HMP Northumberland - Please pray that the remaining chaplains will be able to handle their increased workload and responsibilities, and would be encouraged by those attending their services and seeking more information on being a Christian. Praise God for the request to supply more bibles and pray that they will be greatly used to spread the gospel and help new converts.

HMP Swansea - A Christianity explored course is planned for November. Please pray that the Lord would bring in the right prisoners and that the Lord would provide the right person to lead the course with David Lewis.

HMP Usk - Please pray for David Jones and his work in the prison. Nine men meet regularly for Bible study, and want to pray together as well.

South-East - Praise God that the new "Money Matters" personal money management course was successfully launched, with nine prisoners attending. One prison has asked for the course to be re-run, and another has expressed interest. Please pray that this course will demonstrate the practical relevance of God's word and support the preaching and teaching of Daylight in prisons.

London Area Prison - Please give thanks for the increasing numbers attending the mid-week evening bible study, with forty-one men paying serious attention to the message. Please pray that government cuts will not result in such evening activities being curtailed. Thank God for the encouragement of prisoners thanking us for bringing them the message of salvation, which reminds us of the importance of the work.

HMP Bristol - Praise God for an opportunity to meet the staff to discuss how Daylight may support prisoners who are being released back into the community.

HMPYOI Ashfield - Please pray for Lindsay, Adam and Sim as they prepare for leading Christianity Explored here, and for wisdom as they adapt it to suit 15 -18 year old boys.

Christianity Explored and Discipleship Explored – Several of these courses are going on in South Wales, so please pray for lives to be changed, and for Gillian, Stephen and others who are involved in running these courses on a regular basis.

Change from the inside out...

North East prayer and support group - please pray for guidance as they look to develop contacts within the area and in HMP Northumberland. Please also pray that permission will soon be received for letter writing by the group to commence.

K and J - Please pray for these two men due to be released from welsh prisons in the near future. Pray for help with resettlement issues, and that they would have good contact with local churches.

Norwich prayer and support group - Please pray for this group as they discuss possibilities for growing the group and getting involved with more ex-offenders.

Adam and J - Please pray for Adam as he mentors J following his recent release. Please pray that J's job working from home will go well and that he will soon find more permanent accommodation.

Change behind the scenes...

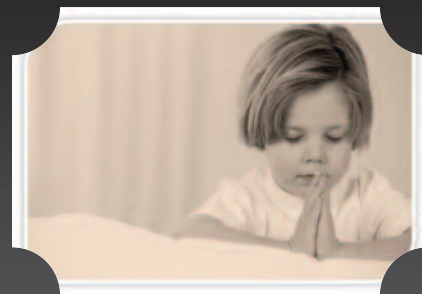

New CEO - Please continue to pray for a new person to be found to head up the work, and for the office staff as they face the changes that will follow John's departure this month.

Luther - Please pray that the vetting process will soon be completed to enable Luther to regularly visit HMP Bure. Praise God for the good relationship with the chaplain.

Finance - Please pray that sufficient finances will be provided to sustain the work in this difficult economic climate.
