COUNCIL POLICY

COUNCIL POLICY #C-03-04

ROADWAY INSPECTION AND MAINTAINENCE POLICY

PURPOSE:

To provide the safest, best maintained roadway system possible within its legal boundaries.

POLICY STATEMENT:

The Town of Drumheller will ensure that all municipally controlled roadways within its boundaries are inspected on an annual basis. (Refer to Roadway Inspection and Maintenance Procedures) Areas identified as problem areas will be repaired to the highest standard possible within the financial resources, equipment and staff available.

STANDARDS:

The surface of the roadway will vary depending on the time of year. During inclement weather and the winter season road repairs will be minimal. When snow is on the surface, Council policy #C-01-02 will be in effect.
