## HUGGER 5TH GRADE MEMORY ADS

The **Hugger 2015-2016 Yearbook** will once again feature the 5th Grade Memory Ads section. Memory Ads are a great way to commemorate student achievements and important milestones.

1/12 page ads give parents, siblings, grandparents, friends, etc. the opportunity to submit a personalized message and photo of your 5th grader(s). Be creative with your photographs ... use a baby photo, one from kindergarten, with siblings or friends, favorite school memory, sports photo, or that photo you have threatened to show the world! The possibilities are endless; however, **close-up**, **vertical photos do work best**.

The price of each Memory Ad is \$8.00. It is offered to families of 5th graders *only*, and is another way for you to let your student know how proud you are of him or her. Submit as many ads as you wish (you are *not* limited to just one); however, space is limited so ads will go on a first-come, first-served basis.

The deadline for Memory Ads is Friday, February 12, 2016. If you have any questions, please e-mail Amy Champine at huggeryearbook@gmail.com.

## TO ORDER YOUR 5TH GRADE MEMORY AD(S):

Complete this form with your personalized message. [You may copy this form for additional ads or print this form from the Hugger PTA website.] **E-mail** a digital, high-resolution photo to huggeryearbook@gmail.com. Please note student name and memory ad in the subject line. It is *your* responsibility to scan and submit digitally all hard copies of photographs. The better the quality of the photo you send — the better the end results. **Return this form and check made payable to "HUGGER PTA" to the Office, and e-mail the photo(s), by February12.

No cash please.** 

DO NOT crop photos after scanning. I can zoom in/crop the photo to your liking. Just specify what, if anything, you want cropped out of the photo. Photos will be in a vertical layout.

Our school reserves the right to edit ads per our guidelines. Please make sure all submitted materials are appropriate for elementary school publication.
