

Double Angel Day

at the **DOUBLE ANGEL BALLPARK**

Saturday, June 2, 2007

It's been nearly a year since Double Angel Ballpark, Parker's own "Field of Dreams," held its grand opening and teams began playing ball at this park built entirely by contributions, following the death of local Parker baseball-loving boys. The Double Angel Foundation has set aside the first Saturday in June to commemorate that great day in baseball history in Parker. Come on out to the ballpark on June 2nd for "Double Angel Day." We'll have clinics for all ages, baseball games, complimentary "ballpark franks" at lunch & a special gathering of the friends of the Foundation and tribute to a year of great baseball at Double Angel.

DOUBLE ANGEL DAY CLINICS

Conducted by the baseball pros from Next Level Baseball Academy and Hit-Streak, **Double Angel Day clinics** will offer 2 programs for all age levels. The **Hitting Clinic** will teach the "Quick to It - Long Through It" concept, introducing the top 8 skills necessary to be an effective hitter. Skills will be introduced with explanation-demonstration-drills for the student/athletes to work on. The **Fielding Clinic** will cover proper grip and throwing techniques. Participants will be instructed to "Throw with a Purpose," the proper way to catch a ball, and position-specific fielding skills and drills to use.

Cost is \$15 for either clinic, or \$20 for both hitting and fielding for the same child. A portion of the clinic fee will be donated to Double Angel Foundation. Registration is limited to 30 children per clinic. Walk-ins will be accepted (come early), or pre-register to guarantee a spot. Further information on clinic instructors Steven Smith, Bill Owen and Scott Vatter are available at www.doubleangel.org.

- 9:00-10:30am HITTING CLINIC** Ages 6-8 (parents invited)
- 10:30-12:00 HITTING CLINIC** Ages 9-11 (parents invited)
