

**Educational Fees Payment Agreement**  
**Immanuel Lutheran School – Silo**  
**2014-2015**

The members of Immanuel Lutheran Church generously support the majority of the school functions through their weekly contributions; however, additional funds are still needed to provide the school with textbooks, educational materials, furniture, equipment, religion materials, athletic programs, teacher conferences, etc. Book fees and non-member tuition provide the monetary resources needed to provide these additional items which enhance the education offered at Immanuel Silo.

All fees are expected to be paid promptly. Fee payment is due by September 3, 2014. Your cooperation in this matter is greatly appreciated. For your convenience, several payment options are available.
