September 2014

From the Editor

From our Editor, Birdie Proske

I won't lie. I underestimated the work that goes into production of the Bay Breeze. Last month's newsletter took about 5 days to produce from start to finish. It was worth it, though. Much of what I heard from our members was positive. Many people loved having the tear-out calendar, and our members seemed to appreciate the updated layout!

For those who want to print announcements in the Breeze, announcements will now be formatted in-line with the rest of the copy to save ink, paper, and print time. If you would like a full-page insert in the Breeze, rather than an in-line announcement, we ask that you please have your inserts printed and ready to insert. You may leave these with Kd or Andrew in the Aerie office. We have 550 copies that need to go out, and we're trying to conserve precious resources.

Along with all other Breeze submissions, I'll accept these until the 15th of every month. Thank you!

From the Gavel

From our Worthy President, Steve Regan

We had an August full of events, and welcomed eight new members to our family between the Auxiliary and Aerie. Please be sure to welcome these new faces when you see them at the bar, and invite them to volunteer for events at the club.

Speaking of events, I want to thank all our August Volunteers for all their hard work and contributions this month: Marcia, Sharon and Mike, Mitsy, Katie and Birdie, Beverly and Bev, Zab, Carol and the Auxiliary. We are always thankful for your continued dedication.

These volunteers have put an incredible amount of effort into everything they do, and I hope that all our members appreciate their efforts. And for the critics, remember, "If you can't speak well of an Eagle, do not speak ill". These are volunteer positions that benefit our community and our volunteers do the best with what they have. We should all try to support our volunteers and their hard work without criticism. I thank you in advance for your commitment to the community spirit.

IMPORTANT MESSAGE FOR R.E.A.C. MEMBERS

Due to low attendance at R.E.A.C. meetings, we've voted to hold meetings every other month, and change the meeting time to 6 p.m.

NEXT MEETING OCT. 14TH 6 P.M.

*MEMBERSHIP DRAWING SEPT. 9TH
7:00 PM*

The current pot is \$970.00 +

AUTUMN KNIGHT since you did not invest \$5.00 you did not win \$970.00

FOR OUR NEW R.E.A.C. MEMBERS:

The R.E.A.C. membership drawing includes all the names of our Aerie and Auxiliary members.

If your name is drawn and you have not invested \$5.00, you do not win. However, if you did invest \$5.00, you get the full pot amount if you're in attendance and half if you are not.

We are currently looking for volunteers for the following monthly events:

Dinners for Friday night

Burgers on Saturday afternoons

Dinner on Saturday night

Brunch on Sunday

Door help on music nights

The Bar Improvement Committee wants to hear from you!

We love our bar, and know you do too! We've noticed, however, that **it could use a little sprucing up and cleaning out** before the influx of new members that the fall membership drive is sure to bring in.

Do you have suggestions to improve the bar, dining room, playpen, or performance area? Has an ancient advertising poster or burnt out light bulb been driving you crazy? Do you have a brilliant idea for a new lighting solution or signage concept?

Come meet with the brand spankin' new Bar Improvement Committee on Saturday, October 4th at 11am to share your thoughts and help us prioritize! Our goal is to create a list of needs and wants to take to our trustees by the end of the year.

It's your club—let's work together to make it shine!
