

# EAU CLAIRE ROD & GUN CLUB COMMUNITY MEMORIAL FOUNDATION

We as a community want to honor and say thank you to all who serve our community and nation. This memorial honors all service members of the Army, Marine Corps, Navy, Air Force, Coast Guard, POW/MIA, Fire/Rescue, Law Enforcement, and Emergency Medical Service.

The memorial will consist of brass plaques representing all of the different services, mounted on stainless steel poles & centered around a US Flag pole. Please support our service members by ordering a personalized brick that will be installed around the memorial or simply make a donation.

Orders will be accepted beginning May 1, 2011. If you would like your brick to be a part of the *first* installation in October 2011, please have your bricks ordered by the *end of August 2011*.

Please use the form on this brochure to order your brick(s) and/or make your donation and mail it or return it to the drop box at the Eau Claire Rod and Gun Club.

## The Marking Process

That's My Brick™ uses a patented, laser-based marking process that produces a layer of black, fused glass on any color surface of the brick or tile. The marks are flush with the surface of the brick or tile - less maintenance and no chance of wear-based damage.

All samples passed each of the ASTM-specified test conditions (Freeze/Thaw cycling, Salt Spray exposure, Ultraviolet Light exposure) with flying colors. The independent testing has proven that *bricks marked with our process and installed properly in your project will last longer than our lifetimes.*

## Graphics and Logos

That's My Brick!™ can create a truly unique brick for you or your company. You can use a customized logo or choose from over 100 of our images. Please contact the coordinator of the fundraiser for more details.

All approved images can be found at [www.thatsmybrick.com/graphics.html](http://www.thatsmybrick.com/graphics.html)

**NOTE:** Adding an image reduces the character limit for the 4x8 to 3 lines of 10 characters and for the 8x8 to 3 lines of 18 characters.
