

Living Your Life on Purpose **Women's Empowerment Conference**

Greetings on behalf of Abundant Life Community Outreach!

We are graciously seeking your support and participation for our *Living Your Life on Purpose Women's Empowerment Conference* to be held **Friday, March 11th and Saturday, March 12th, 2016** at the Courtyard Marriott, Jacksonville, NC. This impactful two-day event is designed to motivate, inspire, empower, and educate women (and men too), throughout Eastern North Carolina on how to live the best life possible!

We are excited to announce that Myesha Chaney, star of Oxygen's hit show, Preachers of LA and Kierra Sheard, gospel recording artist and host of the BET's hit show Sunday Best are confirmed guests. Lady Chaney will host two sessions featuring her "Hiding Behind the Lipstick Tour." Lady Chaney promises to deliver an experience that teaches women the life skills they need to outwardly reflect who they are at the core of their being. Kierra Sheard will perform her gospel hits during an inspirational concert on Saturday evening. The conference will also feature other inspirational speakers and a variety of entertainment!

This event is sponsored by the Jacksonville Tourism Development Authority and Onslow County. Should you decide to participate as a sponsor, your business will be marketed via various media outlets. In addition, it is anticipated that approximately 450-500 women throughout Eastern North Carolina will be in attendance during this two-day event.

The proceeds from this event will be used to further the mission of Abundant Life Community Outreach, a faith-based 501(c)(3) non-profit organization. Our mission is to provide affordable housing, financial literacy, housing counseling, economic development and supportive services to underserved and hard to reach populations.

It is our purpose to improve the quality of life of the individuals and families that we serve. **You can help with a tax-deductible sponsorship!** These gifts, however great or small, will be used toward these efforts.

Thank you in advance,

Lillie R. Gray
