Dear Assemblies of the Lord Jesus Christ Member,

Your District and National officials regret the need for sending this letter to you. It is sent only after a Member allows himself/herself to become more than 30 days delinquent in paying your dues, which is one of your primary responsibilities to this Organization. The ALJC General Constitution requires that this written notice be sent out to a delinquent member after 30 days. We value your membership and your fellowship and we pray that you will immediately respond to this notice by sending in what is owed, paying all that is due, through the end of this month. The amount owed is listed below on the “**Delinquent Dues Amount**” line.

Please take special note of Article XIX, Section 2 Conditions of Eligibility, Paragraph 1, which states, “To be eligible for (Benevolent/Insurance) benefits, a minister’s dues shall not be over thirty (30) days in arrears.” Even though you may not be dropped for 30 days after the date of this notice, you need to be aware that because you are more than 30 days in arrears, you leave yourself without the Life Insurance, Accidental Death and Dismemberment or MEDEX® benefits provide through our insurance carrier for you, and if applicable, your spouse and children.

NOTICE OF PENDING MEMBER TERMINATION

Please note, your membership will be dropped 30 days from the “NOTICE DATE” unless ALL delinquent District and National dues, through the end of the current month, are paid in full.

The ALJC Constitution provides this 30 day grace period to you in order to address possible unavoidable situations such as loss of mail, or failure to notify your District and National officials of a change of address. A member may avoid being dropped by sending in all delinquent dues covering all unpaid months up through the current month within 30 days of the date on this notice. Otherwise, in the event you wish to become a member again, there is a mandatory one year waiting period before you can complete a new application and appear before your District Board.
