JUNIOR & YOUTH REPORTS

Round 2 this week we had all our juniors playing for the first time this year. On all reports we played in good spirits and enjoyed our football. The Coomera trip is always challenging but our 9's and 10's kids turned up and gave their best and had heaps of fun. Our under 11's this week were also at Coomera and unfortunately were a bit short on the scoreboard at the end of the day.

Next weekend is ANZAC weekend with our 11's playing at noon that afternoon, the 9's and 10's are at home on the Friday night. Go Dee's

Our Youth teams travelled this week, with games at Labrador, Coolangatta and Palm Beach. School holidays and injuries again left us with a player shortage, but as always, we represented our club with competitive teams in all age groups.

I had the pleasure of watching our under 12 boys on Saturday morning, who dominated after half time with plenty of run to win comfortably. All Under 15 teams played at Palm Beach, with 3 very competitive games. Our Div1 boys gave up 5 goals to nil early, and while they bounced back and competed well, the lead was insurmountable. Our Div2 boys played very well to win comfortably, while our Div3 team ran out of legs in the last quarter and were unfortunately beaten. Our under 17's boys were again competitive for many periods of the game, but eventually lost to a strong TWC team.

This weekend we were involved in several minor “incidents” involving our players, officials and parents. It is a timely reminder that our players must focus on the footy, our parents must focus on positive sideline encouragement, and our coaches must remain calm under all circumstances. This will allow our players to make good decisions with any additional pressures.

We now look forward to a huge weekend of footy with home games Friday, Saturday and Sunday.

COACHES REPORTS

UNDER 9's BLUE & RED

Our Under 9's matched up against very strong and well skilled Coomera sides last Saturday! Despite that, they put in a courageous effort and played a good defensive game. The boys were not afraid to use their bodies and some great possessions were made from strong tackles. A number of our team members are only new to AFL, with this being only their second game ever, and they are quickly learning the skills and the rules. Well done to those boys who are showing great enthusiasm and love for the game. A big thank you also to those who played two games on Saturday and the parents who pitched in and helped us – your support is very much appreciated.

HAPPY BIRTHDAY!

Finally, to Corey
for this Saturday 25th!

Coach – Paul Marshall

UNDER 10's

Saturday morning we travelled up to Coomera. The boys again played very good football. We have been working on our skills at training, in particular looking for team mates to handball to who are in the clear. The boys are doing very well at putting into practice the things we have been working on at training.

Our tackling was outstanding, we held the opposition up without giving away too many frees for taking them to the ground. Our courage under the high ball was great again, in particular Lucas who held his ground with opposition charging from behind.

Again the awards could have gone to almost all of the boys. The 2 McDonalds awards went to first gamer **Charlie Bunker –Kershaw**, and to **Liam Parker** who had a great game. The Mermaid Beach Tavern award went to **Thomas Condon**, and the Noodle Box award went to **Max Homan** who had his best game since starting last year in the under 9's.

Mark Snowball.

UNDER 11's

After such a great game in Round 1, we ran into a very good side come round 2. Our first away game for the year saw us take on Coomera and we were in a hard fought contest right from the first bounce. Even though the game didn't go our way, there were plenty of positives to take out of this match. I thought our boys were very courageous in the way they fought the game right out and we even ended up with a few sore bodies after this one. Wishing a very speedy recovery for Haysey and Jake who copped a couple of injuries. Round 3 sees us at home on Anzac day, couldn't ask for a better day not only to represent our club but to represent the game of footy itself. Looking forward to a huge effort boys, Go Dees!!!

UNDER 12's – DIV 2

Round 2 this week saw the under 12's play Labrador at Labrador. They were only able to field 16 players so we had to match their numbers which left us a little vulnerable in our game plan. To our boys credit we toughed out the first half to be only 8 points ahead at half time. The boys were asked to continue running hard and beat their opponent to the ball. In the end it was very satisfying from the coaches box to come away with a big win, we eventually beat Labrador by the mercy rule. Fantastic team effort boys but this was only round 2. Keep training hard and the rewards will come. Special thanks to Riley Moore from the U/11's for helping us with numbers.

UNDER 15's - DIV 1

An obvious lack of effort and commitment around the footy during the early part of the game meant for a disappointing start. Once the boys realised what is required at this level, we played some great footy and certainly showed what we are capable of. While the result was not in our favour, as a team unit we learnt heaps and look forward to next week. Many thanks once again to all those who took on game-day roles.

UNDER 15's - DIV 2

Round 2 saw Surfers u/15 div.2 journey south down the M1 on a beautiful Saturday arvo to showcase their wares against Palm Beach. Again, a big thank you goes out to the players who played immediately after the completion of the div.1 game. Dedication like that to the Red & Blue is indicative of a great team first mentality which the club applauds.

After a 1st qtr that saw Surfers dominate possession of the footy, the lads found themselves 3pts down @ qtr time. The 2nd qtr saw the Demons kick into gear courtesy of a dominant ruckman providing a hardworking midfield with first use of the footy. Combined with a forward line capitalising on scoring opportunities that came their way & an impenetrable half back line, the Demons ran out victors 86-33 against an opposition that remained competitive till the final siren.

A great team effort on the ground ensured a great rendition of our club song in the rooms afterwards. On a sad note, one of our young guns JAIDEN TUCKER unfortunately broke his arm laying a ball and all tackle. Everyone at the club wishes you a speedy recovery & all your mates promise to continue working hard so you have every chance of returning to a side that's pushing for a finals spot. Focus is now squarely on Broadbeach ahead of our ANZAC day encounter.....Victory loves Preparation....GO DEES!!!!....

UNDER 15's - DIV 3

With a shortage of players again this week, our Div3 team was well supported by many players that had to play 2 games. The boys battled well and were very competitive until late in the game when some undisciplined acts allowed Palm Beach to dominate on the scoreboard. Great effort boys, keep up the good work. Many thanks to all those who helped out with a game-day role, your assistance is invaluable.

Great game of football, was a massive improvement from Round 1..... We were only down by 3 goals at 3/4 time but the boys ran out of legs in the last..... Still plenty of work to do with the group that I and the group are excited about..... Big test this week Broadbeach away.

RESERVES REPORT

With approximately 10 new players in the side this week due to injury, some being away, suspension and NEAFL duties the reserves side went into round 2 undermanned. The beauty of this is that it gave lots of players an opportunity to cement their spot in the side and push for senior selection.

We suffered another blow in the warm up with Bailey Fraser injuring his back and was not able to play out the game. This for the second week in a row meant that we were a rotation down early in the game. With all of this happening the boys started well but failed to put scoreboard pressure on. We went into the first break 5 points up.

The second quarter saw the opposition take the game on and attack through the middle with lots of run from behind. We failed to counteract this and went into half time 26 points down. If we were to be any chance of winning this game we needed to come out in the third and score freely and be level pegging with them going into the last. Unfortunately our radar was off as we kicked 2 goals 4 behinds while allowing UQ to kick 2 goals themselves.

We fought the game out well considering the limited rotations we had but to UQ's credit they were too good for us on the day.

COACHES REPORTS

SENIORS REPORT

To the Demons Faithful,

Queensland University 8 9 57 defeated
Surfers Paradise 7 14 56

Disappointing to be 2 – zip but I can see the group are having a fair crack and we need to stick with the young group. I have no doubt that the young group will keep on improving and be a competitive unit in 2015.

I thought we dominated play around the ground and just kept burning the ball going forward. Our poor goal kicking hasn't helped our cause. Watching the tape we clearly won the stoppages and it is some poor skill errors that keep hurting us.

We talked about it Monday night in our recovery and our review session. It's also about having buy in from the whole group, also seeing and playing the game the same way, which I am sure we will see in coming weeks. It is a very young team that is learning to play together. IT WILL HAPPEN!!

The boys are together three times a week with recovery and Review sessions Monday's and training sessions Wednesday's and Fridays. Let's all get behind the boys and support them.... Again IT WILL HAPPEN but not overnight.

The senior players are heading to the Dawn service this Saturday morning and then will have breakfast at the club and a train, before the game on Sunday v Labrador Tigers.

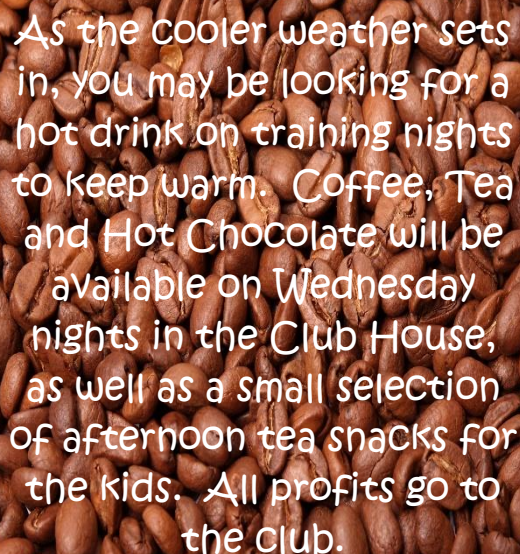

Every heart beats true!.. Go Dees
