

Community Volunteer Service Verification Form

This information is REQUIRED.

Student's full name (please print) _____

Store # _____ Application ID# _____

To the Student Applicant: To receive your scholarship award, you must complete this entire form and submit it by 3/16/13. You must identify two of your community volunteer service activities that you feel reach out and have the most impact on the community. These may be activities you reported on your electronic application and/or activities that you are involved in currently. On the first line of each section, briefly describe the activity. An unrelated adult professional familiar with your community service must complete the remainder of each section. This person may be a school official who is able to verify your activities or someone associated with the organization in which you volunteer. Also complete verification of your current work experience. **(parents may not complete this form)**

To the Adult Verifier(s): You have been asked to provide information in support of this student's application. Please give immediate and serious attention to the following statements. **Limit your responses to the space provided.** No attachments will be accepted. When complete, please return this form to the applicant.
