Family Concert

The Animated Orchestra

A musical adventure for the whole family.

Tickets available on adjacent order form, at lakewoodsymphony.org, at 303-987-7845, or in person at the Lakewood Cultural Center.

The Animated Orchestra's storyline consists of a cartoon score being performed at a symphony concert. The film of the cartoon was sent to the wrong address so the narrator describes the scenes while the audience imagines the missing cartoon. The hero of the cartoon is a playful and curious ferret. The setting is an instrument repair shop owned and operated by a sleepy older gentleman who lives above the shop. The ferret, who inadvertently sneaks into the shop late one night, discovers that the shop is a ferret paradise. The story moves beyond the shop as the audience, orchestra and conductor engage in zany theatrics.

All-American Music

Special Concert at the
Scottish Rite Masonic Center

Sat, March 5, 2016, 7:30 pm

Scottish Rite Masonic Center

1370 Grant Street in Denver

The Lakewood Symphony has been selected to perform one of the four concerts in the inaugural season of the Scottish Rite Concert Series! Join us at the Scottish Rite Masonic Center in Denver for a great hall, great food, great parking, and great music.

The program will consist of Gershwin's *An American in Paris*, Copland's Four Dance Episodes from *Rodeo*, the world premiere of a special antiphonal piece for orchestra, and the concert concludes with Gershwin's *Rhapsody in Blue*, featuring Joshua Sawicki on piano.

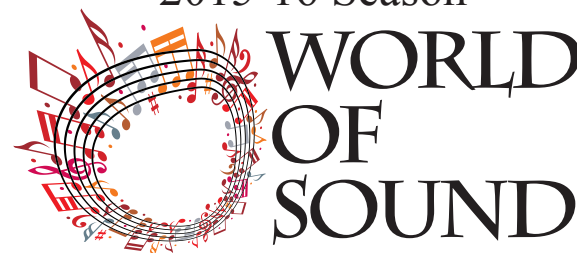

But that's not all! Before the concert, a fabulous organ will entertain you, and you can indulge in a repast of excellent hors d'ouvers and an open bar. After the event meet the conductor, the soloist, and members of the orchestra in a post-concert reception.
