OFFICE OF THE REGISTRAR – PARENZO HALL ROOM 107

The staff in the Office of the Registrar are an excellent source of information about registration, procedures, deadlines, courses, academic policies, and special programs. We work closely with offices across the University community and are located in Parenzo Hall along with the Banacos Center, Urban Education, TRiO, and Academic Advising.

The Course Offering Booklet is a tool to guide you through the registration process. More detailed information on all policies can be found in the undergraduate *Catalog*. The information contained in this Booklet is subject to change without notice, including the cancellation and addition of course sections. A complete and accurate listing of courses is available through your *myWestfield* account, academics tab, registration tools, look up classes - including pre-requisites and other restrictions.

SECTION I: ACADEMIC ADVISING

ADVISING RESPONSIBILITIES - STUDENTS

It is strongly recommended that:

- Students know the requirements and expectations of their major, Core requirements, university policies and procedures;
- Students meet early in their academic career with their advisor to develop an academic plan that will guide the completion of their baccalaureate degree;
- Students meet regularly with their department advisor to assess and update their progress within their programs;
- Students be responsible for maintaining an academic file that includes: the WSU *Catalog* for their time of entry, academic audit sheets, grade reports, registration records, change of grade/change of major forms, etc.
- Students consider keeping an academic portfolio for their benefit in employment and professional interviews; Students know what it means to maintain satisfactory academic standing (i.e., satisfactory GPA by attempted credits):

0 - 23 credits \geq 1.75

24+ credits \geq 2.00

Students explore with their advisor various academic opportunities (internships, co-ops, honors, exchange programs, etc.) available through the institution or through their discipline;

- Students speak with their advisor to learn about the various academic resources available (tutorial services, study skills workshops, etc.) to support their success.

PREPARING FOR YOUR ADVISING SESSION

1. Prepare for your advising session by reviewing your online degree evaluation (*myWestfield* – Academics – Registration Tools – Degree Evaluation) and identifying courses you still need to take. This is also a great opportunity to ensure any waivers/substitutions have been filed and processed accordingly.

2. If you have questions about whether specific courses taken at other colleges satisfy Westfield State University Core requirements, you must see the Assistant Registrar in the Office of the Registrar. When there are questions about the content of specific courses, the Assistant Registrar or Transfer Coordinator refers the decision to the Chair of the appropriate academic department.

3. Look through this course offerings booklet and note on the registration worksheet the courses you are interested in taking. Keep in mind what courses you need to satisfy the Common Core and your major. Consider elective courses outside these areas that seem interesting. In selecting your elective courses, please keep in mind the Westfield State University PASS/FAIL Policy for 0200/0300 level courses. This policy allows juniors and seniors to take upper level courses in areas outside their major and the Core for a grade of 'PS' or 'FL', neither of which is used in calculating a student's GPA.

4. Using the University *Catalog*, make sure that you have completed all required prerequisites for courses you have selected. The *Catalog* is available in the Office of the Registrar, the Academic Advising Center and online at <http://www.westfield.ma.edu/registrar>

5. Since the most popular classes frequently close early in the registration process, you will want to have identified 10-12 possible courses for next semester by the time you have completed your advising session, so be sure to compile a comprehensive list of options.

ADVISING OUTCOMES

Comprehensive advising is a key factor in determining how well-registered a student will be, so be sure to use your time with your advisor to develop a thorough understanding of your academic needs for the next semester. When you leave your advising session, you should know:

- ✍ what courses you must have in order to make reasonable progress toward the completion of your degree
- ✍ what courses would be useful, but could be taken in another semester if necessary
- ✍ and what courses may be taken as electives, in response to your own interests and preferences.

Students who complete their advising session with a list of only five courses will ultimately be less well served than those who are prepared with a full range of options.

ACADEMIC ADVISOR

All students who have declared a major are assigned a departmental advisor by the chair. If you do not know who your advisor is, check with your department secretary or chair. You may also view your advisor's name through your myWestfield account - academics tab.

ACADEMIC ADVISING CENTER

Advising and registration help is available on a walk-in basis at the Academic Advising Center in Parenzo K/L for all students and specifically for student who have undeclared majors. You may now e-mail your advising questions to: advising@westfield.ma.edu

ACADEMIC ADVISING - UNDECLARED

Students who have not yet declared a major are advised through the Academic Advising Center in Parenzo K/L.

ONLINE EARLY REGISTRATION

Honors and Banacos W March 26 7:00AM	Selected Athletes M April 7 7:00AM
Honors students with an overall GPA of 3.3 or better and students who are approved members of the Banacos Academic Center with less than 54 earned credits. Alternate registration pin rang: 950000 – 999999	First and second year athletes with less than 54 credits and whose season of competition occurs during the fall semester. Alternate registration pin range: 900000 – 949999

Any questions about your eligibility to register early should be addressed with the director of the program in question. The Registrar's Office will also be available to you on March 26 or April 7 if you need additional in-person support.

SECTION II: POLICIES

ADVISING AND PIN

In order to guarantee that all students are advised prior to registration, students will be required to present a signed advising form to their department, at which time a new Alternate Registration PIN will be issued. Use the new Alternate Registration PIN for online registration; bring a signed advising sheet to use at in-person registration in Parenzo Hall 107. See back cover for additional PIN information.

ADD/DROP IN PARENZO HALL 107

1. **ADJUST YOUR SEMESTER SCHEDULE.** You may drop any courses you do not wish to take or add new courses, on a space available basis.
2. **ADD/DROP** runs through the first week of the semester. Online add/drop is available from 7:00AM - 9:00PM and in-person from 8:30AM to 4:30PM in Parenzo Hall 107. Please consult the front cover for specific dates.
3. **PERMISSION TO ENROLL FORM** Use this form if you receive an error message for missing pre-requisite, co-requisite, class, or need the permission of instructor.
4. **INSTRUCTOR AUTHORIZATION TO ADD A DAY CLASS (OVERLOAD) FORM** If there is no space available in a course that you need or want, you may be able to get permission from the instructor to add that course. If an instructor authorizes your enrollment on this form (some departments may also require the Chair's signature), the computer operator will register you for the course, even if the computer shows no space available. Forms are only available during the published add/drop period.
5. **SCHEDULE** You will receive a printout of your revised schedule. This is a good way to check that you are going to the right classes. You may print your own copy through *myWestfield*.
6. **PERMISSION COURSES** Courses that require special permission, like internships, CO-OPS, and some upper level electives may not be added through *myWestfield*. See the instructor, or the chair of the department offering the course for information about adding these courses.

COURSE LOAD AND CLASS STANDING

Students who expect to graduate in four years should plan to take 30 credits a year, or 15 credits a semester. If you drop any courses, or fail courses, you will have to take summer or winter session courses or extra courses during the semester to keep the number of credits necessary to maintain your class standing.

While the usual course load is 15 credits a semester, students may carry from 12 to 18 credits as a full time student. Students wishing to carry more than 18 credits must get special permission from their advisors, major department chairs, and the Associate Dean of Academic Achievement. The Academic Policies Committee recommends that students have a minimum GPA of 2.5 to enroll in 19 or 20 credits and 3.0 to enroll in 21 credits. The approval form is available in the Office of the Registrar.

COURSE REPEAT POLICY

Students may apply this policy a maximum of five times. Students must file a completed course repeat form with the Office of the Registrar prior to taking any course as a repeat. Westfield courses can only be repeated with an identical Westfield course.

COURSE WITHDRAWAL NOTATION OF "W"

The notation of "W" is an action taken by the student or administration and is not a reflection of the student's performance in the course. Students may withdraw from a full-semester course up to three weeks prior to the last day of classes (up to two weeks prior to the last day of classes for half-semester courses) by completing a Course Withdrawal form. A notation of "W" will be placed on the student's record for courses dropped during this period.

FALL 2014 Deadlines for Course Withdrawals

Full Semester	Wednesday, November 19, 2014
Session A	Monday, October 6, 2014
Session B	Wednesday, November 26, 2014

Students not attending a course will be issued an "F" grade on their record. The grade will be used in computing semester and cumulative average. **COURSE WITHDRAWAL FORMS ARE AVAILABLE IN THE OFFICE OF THE REGISTRAR.**

Administrative offices can withdraw students for cause. Reasons for administrative withdrawal may include non-payment of tuition and fees, lack of health forms or final high school transcripts, academic failure or probation, over-enrollment in a single semester, and/or disciplinary action. The notation of "W" is made on the student's record for all courses dropped administratively.

CROSS REGISTRATION INTO DGCE CLASSES

Beginning on the first day of classes, online and in Parenzo Hall 107, Day students will be permitted to register for up to three Continuing Education (DGCE) classes as part of their Day load, on a space-available basis. Students may not overload into these classes. Students will not be assessed any additional tuition charges for these courses. Continuing Education add/drop tuition waivers may not be used for a special arrangement, independent study, internship, or graduate level (0400+) course. DGCE sections begin with a '5', example: 501, 50A, etc...E01 Sections ARE available to day division students during pre-registration as listed in the course grid. DGCE students wishing to cross-register into day classes, should consult with the DGCE office for specific dates.

DECLARING / CHANGING A MAJOR

Students must declare a major by the beginning of their junior year. Students wishing to declare or change their major can pick-up a change of major form in the Office of the Registrar. This form requires the signature of the chair of the major you are dropping and the chair of the new major. If you wish to change your major in time to register, you must do so before the advising period.

DECLARING A MINOR

1. Students may declare a minor at any time by submitting a Declaration of Minor form to the Office of the Registrar, Parenzo 107.
2. The chair of the academic department must approve minor declarations.
3. Students may not have more than two declared minors in progress at one time, however, can earn more than two.
4. Minors, like majors, are reviewed prior to a student's graduation.
5. Students who complete minors without formally declaring them may still have them certified prior to graduation.

DIRECTORY INFORMATION RELEASE

Directory information includes a student's name, address, class standing, major, and date of birth. There are some contexts in which the college is required to release this information to third parties. These include military recruiters and the National Student Clearinghouse (NSC). The NSC provides student loan processors with enrollment information to determine a student's eligibility for loan. In addition, other third parties may request this data under the Freedom of Information Act. A more detailed policy concerning FERPA (Family Educational Rights and Privacy Act) can be found in the current *Catalog*.

Students may place a directory release block on their records. When this block is in place, we suppress the student's data when we produce our listings. Such requests must be made in writing in the Office of the Registrar by October 1st each year. We cannot suppress the release of student directory data to the NSC.

LIBERAL STUDIES MAJORS

Students who are majoring in interdisciplinary programs, such as Liberal Studies, **must** have their areas of concentration noted on their registration forms by their advisors. The student may register for **ONE** major course in each concentration area with the same registration access as majors within the department. Additional courses must be selected from the seats available to everyone as Core elective choices, or the student must have special permission from the chair of the academic department in which he/she wishes to take more than one course. Liberal Studies students may need to go to Parenzo Hall 107 or Parenzo Hall K/L for assistance in registering for a major course, if they are restricted to students in a particular major.

NEW STUDENT INFORMATION

All incoming students should familiarize themselves with the University *Catalog* for the current academic year. That is the version of the *Catalog* that states the program requirements and academic policies that apply to you. The *Catalog* is available online at www.catalog.westfield.ma.edu.

PREREQUISITES and SELF-REGISTRATION

Students are responsible for meeting all course prerequisites before registering into upper-level courses. Prerequisites are listed in course descriptions in the University *Catalog*. The *Catalog* is available online at www.catalog.westfield.ma.edu. Faculty members have the right to exclude students from courses if they are missing the listed prerequisites.

REGISTRATION CORRECTNESS

You have final responsibility for the correctness of your registration. Be sure to check a final printout of your schedule carefully, and to keep any forms or documentation for your records.

REGISTRATION FOR SPECIAL CLASSES

1. Internships/Co-ops/Permission Courses: Internships, co-op courses and other special courses require the professor's permission to register. Please see the instructor prior to registration to secure a permission to register form. Bring this form with you to in-person registration in Parenzo Hall 107, and the course will be added to your schedule when you select your other classes. Please see the Assistant Registrar if you have any questions about registering for permission courses. CO-OP is administered through the Career Services Office, Lammers Hall Annex.
2. Independent Study and Courses by Special Arrangement: Students wishing to enroll in departmental Independent Study projects must process a registration form for Independent Study or Course by Special Arrangement, available in the academic department. This form requires a description of each project and must be approved by the faculty member, department chairperson, and the Dean of Undergraduate Studies. **FRESHMEN ARE INELIGIBLE**. Students may take only one independent study in any given semester and not more than four in their undergraduate work at Westfield State. Students must register for the Independent Study credits by the end of add/drop. See the semester calendar on p. 2 for the deadline to submit your form.

STUDENT ACCOUNT CLEARANCE

A student's account must be clear in order to register for classes. You can check the status of your account online or by checking in the Student Services Center or by calling (413) 572-5218. If you owe money to the University, you must pay it in order to release the registration hold on your account. The billing and payment schedule is as follows:

- November/July - Bills will be mailed to students, anticipated financial aid awards will be credited to the bill.
- Return your payment *and* paperwork before the due date published on the bill. Bills postmarked after the due date are charged a **\$100.00** late payment fee. ALL STUDENTS SHOULD RETURN THEIR PAPERWORK, WHETHER TUITION IS OWED OR

NOT! RETURNED PAPERWORK SHOWS INTENT TO RETURN FOR THE SEMESTER.

What will happen if you don't return your bill? Students who have not returned their payment and paperwork by the due date will be administratively withdrawn from the University. They will no longer have a schedule or housing assignment. Class schedules and housing will *not* be restored. Withdrawn students cannot register until add/drop and there is a reinstatement fee assessed for reentry; housing may no longer be available.

TUITION SURCHARGE POLICY

Effective Fall 1999, the Board of Higher Education adopted a tuition surcharge to assess the full cost of education for continuously enrolled native students who accumulate an excessive number of credits. Excessive credit hours are defined as 118% of academic degree program credit hour requirements. Any student who is enrolled in over 141 accumulated credit hours will be assessed \$235.00 for each credit hour over 141. Students wishing to appeal this policy should submit a written request to the Maureen McCartney, Associate Dean Academic Achievement.

UNDECLARED MAJORS

Undeclared freshmen and sophomores may use one seat reserved for majors to register for ONE foundation course in ONE academic area they are exploring if available. All other courses must be selected from seats available to everyone as Core or elective choices. Undeclared students may need to go to Parenzo Hall 107 or Parenzo Hall K/L for assistance in registering for a foundation course, if they are restricted to students in the major.

SECTION III: SPECIAL PROGRAMS

ROTC CLASSES

Through CCGS, WSU students may enroll in Army or Air Force Reserve Officers Training (ROTC) *offered on the Western New England University campus*. If there is sufficient interest, introductory level courses *may* be offered on the WSU campus. ROTC classes are found in the course listing under Military Science. Students are not eligible to use the CCGS benefit at UMASS; it is not a member.

COOPERATING COLLEGES OF GREATER SPRINGFIELD (CCGS)

CCGS is a group of 8 area colleges (American International College, Bay Path College, Elms College, Holyoke Community College, Springfield College, Springfield Technical Community College, Western New England University and Westfield State University) who have agreed to broaden the educational opportunities of their students by sharing resources and programs. Honors upper level courses/seminars

ENGL0297-H01 HNRS: BEYOND OUR BORDERS
11184 TR 2:15PM-3:30PM Bailey, C.

How much of the world have you seen? Can we really get a view of the world through the perspectives of others? What does it mean to have cross-cultural conversations? What are some of the ways in which we are “all connected?” And are we really linked in the ways some suggest? How have the experiences of women been similar and different across cultures? These are some of the questions that shape literary, cultural, political, and sociological studies today. This course takes up these and other concerns in interdisciplinary global studies through a study literature, songs, films, history, sociology and works from many other fields. Our class activities will also include field trips to the Five Colleges area and beyond to attend performances and listen to lectures that focus on our multiple areas of study.

CHEM0399-H01 HNRS: ART&SCI OF 3D MOL ANIMAT
10721 MW 01:40PM-02:55PM Theis, K.

This interdisciplinary seminar will study the aesthetics and the scientific basis of molecular animations. 3D animations are used to sell health care and cosmetics products, to teach the molecular underpinnings of science, and to visualize imagined life forms in fantasy and science fiction. Students will learn to critically assess molecular animations used in TV commercials, in educational settings and in works of art, and will learn tools for animating objects in three-dimensional space on the computer or in front of a camera. Based on this knowledge, they will then create and present their own animations.

SECTION IV: TEXTBOOKS

Students can gain access to required and optional textbooks, including ISBN's, once they have registered through their *myWestfield* account: Academics – Registration tools – WSU Barnes & Noble Booksellers. The list of courses generated will include all active registrations (including the current semester) please pay close attention to the list of courses before selecting/purchasing textbooks.

SECTION V: DEGREE EVALUATION

Access your degree evaluation through your *myWestfield* account:
academics tab – registration tools – degree evaluation.

Once you select the link, a new window will automatically launch and load your specific degree audit information. Make sure you have any pop-up blockers shut off on your browser. Mac users must use the Safari browser. Some important items to keep in mind as you review your audit for the first time:

- You can find your advisor's name in the upper left-hand corner of the audit
- If your major requires a concentration and one is missing, please stop by the Registrar's Office to declare (Movement Science majors, please see the Movement Science department to be signed into a concentration).
- There is a detailed "FAQ" page at the top of the audit that will help you interpret and solve potential problems.
- If you have any concerns about missing requirements that you feel you have satisfied, please see your departmental academic advisor to submit a waiver/substitution form. These forms must be signed by the Department Chair as well (for core waivers the Dean of Undergraduate Studies must approve and sign).

- If you are double majoring, you may need to select each audit separately. Click on the degree drop-down box at the top of the audit next to your name

- for additional options.
- Your audit is based on the requirements outlined in the *Catalog* typically from the year you entered, however, departments have the right to require more recent requirements if you changed your major after starting WSU. If you feel your audit is reflecting the wrong catalog year, please see your department chair or the Registrar's Office.

SECTION VI: NEW THIS SEMESTER

EARLY SUBMISSION OF PERMISISON TO ENROLL FORMS

Students may submit a signed "permission to enroll" form before their registration day to over-ride errors (as outlined on the back cover) that would prevent registration. The form must be signed by the faculty member teaching the course (or the department chair if no faculty is listed).

"Permission to enroll" forms will be accepted at any time during the registration process, but submission prior to one's registration day will give students the same access to the course as all other students. However, there is no guarantee that a student will get a seat!

The "permission to enroll" form CANNOT be used to over-load into a closed (fully enrolled) course, or to over-ride the "closed to your class or major/reserved" or "College restriction" error messages.
