HELP Pave the Way... for the future of Edgewater

The Edgewater High School Foundation is pleased to present you with a special opportunity to be a part of the historic reconstruction of Edgewater High School. This extensive 2009-2010 redevelopment of Edgewater High School, the first since it's original construction over 50 years ago, is being made possible through the sales tax funding provided from the Orange County 2002 voter referendum. Edgewater High School will be brought up to facility standards which allow for students to compete in the worldwide marketplace of the 21st century.

Celebrate a new chapter of Edgewater High School history by purchasing a personalized commemorative brick. As a lasting tribute, the engraved bricks will be set in the prominent walkways in the new Edgewater High School. Purchase a brick for yourself, your company, students, or in honor or memory of friends and loved ones...commemorate special occasions such as a birth, anniversary or graduation...

Your Support

You can support the Edgewater High School Foundation with a one-time donation that will last a lifetime. Laser engraved bricks are available in 4 x 8 and 8 x 8 sizes. A certificate of your brick is the perfect keepsake and a reminder of your generous support for the Edgewater High School Foundation mission "To Promote and further the interests of Edgewater High School...through the provision of aid and assistance to the school and the programs and facilities operated by it."

Your support of the commemorative brick "paving the way program" will help NOW with providing support to such efforts as the Academic Learning Center (assisting underperforming students to reach their true potential); equipment for exceptional education students, computers and computer related materials, academic programs, staff development and more!
