COMPUTER TECHNOLOGY

Beginning Computers for Senior Citizens (55+)

Instructor: Cindy Wyles
Location: Room 133, Wilson Building
Date: Sept. 12
Day: Wednesday
Time: 9:00-11:00 a.m.
Fee: Free

This course is designed for individuals who have never used a computer. Learn to turn on computer, navigate with a mouse, open programs, play games, surf the Internet, set up an e-mail account and send e-mail with attachments.

Introduction to Computers

Instructor: Cindy Wyles
Location: Room 133, Wilson Building
Date: Sept. 11-20
Day: Tuesday/Thursday
Time: 6:00-8:00 p.m.
Fee: \$25

Do you feel confused, frustrated and lost when it comes to computers? All of the techno-babble is eliminated and replaced with simple explanations and hands-on learning in our computer lab. We'll start with learning what to do with the mouse and keyboard and other basic skills necessary to navigate around the computer. We'll work with Windows, the Internet and e-mail.

Microsoft Word 2010—Beginning

Instructor: Cindy Wyles
Location: Room 133, Wilson Building
Date: Sept. 25-Oct. 4
Day: Tuesday/Thursday
Time: 6:00-9:00 p.m.
Fee: \$25

A must for computer users looking to update skills for the modern workplace. This class introduces the participant to Microsoft Word 2010. Learn to create, edit, print and store simple word processing documents on a computer. Identify and use the Office Button; the Quick Access Toolbar (QAT); the groups and commands included in the Home Tab, Insert Tab, Page Layout Tab; identify the References Tab, Mailings Tab, and more.

Microsoft Word 2010—Intermediate

Instructor: Cindy Wyles
Location: Room 133, Wilson Building
Date: Oct. 9-18
Day: Tuesday/Thursday
Time: 6:00-9:00 p.m.
Fee: \$25

In this course, users will learn to use the basic functions of Microsoft Word 2010 (Home Tab, Insert Tab, Page Layout Tab) to create and use documents; create a form template; add form functions and protection to a form template; set-up a mail merge using a letter document and an Excel data source; use the tools introduced in this training module to create new and modify existing documents.

Microsoft Excel 2010—Beginning

Instructor: Cindy Wyles
Location: Room 133, Wilson Building
Date: Oct. 23-Nov. 1
Day: Tuesday/Thursday
Time: 6:00-9:00 p.m.
Fee: \$25

This class introduces the participant to Microsoft Excel 2010. Participants will be able to understand and use common Windows elements; launch Excel; understand the concept of a spreadsheet; recognize Excel screen elements; work with toolbars; use menus; get help; create, format, and save simple spreadsheets with simple formulas. Upon completion of the course the participant will be able to create, edit, print and store simple worksheets on a computer.

Microsoft Excel 2010—Intermediate

Instructor: Cindy Wyles
Location: Room 133, Wilson Building
Date: Nov. 6-15
Day: Tuesday/Thursday
Time: 6:00-9:00 p.m.
Fee: \$25

This class provides a greater depth of knowledge about Microsoft Excel 2010. Participants will be able to build advanced formulas; use names; work with multiple sheets; print, print preview, page setup; manipulate large worksheets; sort & sub-total data lists.

PERSONAL DEVELOPMENT

Step Aerobics, Cardio Mix & Zumba® Fitness

Instructor: Becky Barker
Location: Student Center Gym
Date: Monthly
Day: Monday-Thursday
Time: 5:30-6:30 p.m.
Fee: \$30

Get fit for life by joining this 60-minute class of heart-pounding, body moving and muscle-pumping FUN!!! Enjoy a workout that enhances the body's muscular endurance. Tone and strengthen your abdominal, chest and lower back muscles. Steps and weights provided. Bring an exercise mat to class.

Senior Citizens Fitness Class (55+)

Instructor: Don Thomas
Location: Student Center Gym
Date: Aug. 27-Dec. 5
Day: Monday/Wednesday/Friday
Time: 9:00-9:50 a.m.
Fee: \$49

This popular class has grown over the years and gives seniors a feeling of health and well being while promoting strength. Meet new people, make new friends or just come to exercise!

Conversational Spanish I

Instructor: TeTe Husband
Location: Wilson Building
Date: Sept. 11-Nov. 13
Day: Tuesday
Time: 6:00-8:00 p.m.
Fee: \$49

This class gives students the tools for correct pronunciation in a very simple way. It focuses on everyday conversations for home, restaurants or telephone. In every lesson, students will also learn about Spanish news and culture to enrich the learning process.

Orange Community Band

Instructor: Dr. Don Ball, Jr.
Location: Orange City Building (Old Armory) 1403 Meeks Dr.
Date: Aug. 27-Dec. 5
Day: Thursday
Time: 6:30-7:45 p.m.
Fee: \$25

Lamar State College-Orange has entered into a partnership with Orange Community Band to offer college band to our students and to continue to offer the band to our surrounding communities. One does not have to live in Orange to participate. The band presents several concerts a year: fall, Christmas, spring and July 4 concerts. 409-893-3409 info. about band only.

Grand Chorus

Instructor: Brad Holmes
Location: Student Center, Room 202
Date: Aug. 27-Dec. 5
Day: Monday
Time: 6:00-7:30 p.m.
Fee: \$25

Grand Chorus is a choir for area amateur and professional musicians and for college students at Lamar State College-Orange. While singing experience is appreciated, it is not required. The choir will present at least 2 concerts per year; Christmas and spring. Others may be presented in the community as opportunities arise. 409-893-3409 info. about chorus only.

PERSONAL DEVELOPMENT

Just ONCE Piano for Busy People

Instructor: Ed White
Location: Room 125, Wilson Building
Date: Sept. 15
Day: Saturday
Time: 12:00-3:00 p.m.
Fee: \$49

Some music teachers may not want you to know this, but you don't need years of weekly lessons to learn piano. In just a few hours, you can learn enough secrets of the trade to give you years of musical enjoyment. How do we do it? While regular piano teachers teach note reading, piano professionals use chords. And you can learn all the chords you'll need to play any song in this one session. Any song. Any style. Any key. If you can find middle C and know the meaning of Every Good Boy Does Fine, you already know enough to enroll in this workshop.

There is a \$29 materials fee for the workbook and practice CD collected in class by the instructor.

Sewing for Beginners

Instructor: Rosa Miller
Location: Room 125, Wilson Building
Date: Sept. 6, 13, 20 & 27
Day: Thursday Evenings
Time: 6:00-8:00 p.m.
Fee: \$49

Learn art of sewing! In this class we will start with the basics—from parts of the machine, how to thread it and reading a basic pattern. Every week you will learn a new sewing project.
Week 1—Apron from old jeans
Week 2—Ruffled sling shirt
Week 3—Ruffled throw pillow
Week 4—Appliqued drawstring tote
Supply list furnished at registration.
You will be required to bring your own sewing machine to class.

October Pinterest Project

Instructor: Rosa Miller
Location: Room 125, Wilson Building
Date: Oct. 4, 11, 18 & 25
Day: Thursday Evenings
Time: 6:00-8:00 p.m.
Fee: \$49

Feeling crafty? Then join us for Pinterest Project! We will have four weeks of projects to make for yourself or gifts.
Week 1—Banners to use for birthdays, holidays and décor
Week 2—Photo tiles/blocks
Week 3—Fall wreath
Week 4—Canvas photos
For the first class you will need the following:
6-8 various fat quarters
Needle and thread or sewing machine
One package of double fold bias tape in white or coordinating color
Supply list for the weeks 3-4 will be given out the first day of class.

November Pinterest Project

Instructor: Rosa Miller
Location: Room 125, Wilson Building
Date: Nov. 1, 8, 15 & 22
Day: Thursday Evenings
Time: 6:00-8:00 p.m.
Fee: \$49

November's Projects:
Week 1—Recycled book pages rosette wreath
Week 2—Photo Christmas ornaments
Week 3—Make your own Mod Podge and use it to make decorator candles from recycled book pages and crayon candles from melted crayons
Week 4—Faux tin tiles
Supply list for week 1 will be given when you register and weeks 3-4 will be given out the first day of class.

Continuing and Workforce Education
PHOTOGRAPHY SERIES

Basic Digital Photography

Instructor: Eino Lilback
Location: Room 125, Wilson Building
Date: Oct. 2, 9, 16, 23 & 30
Day: Tuesday Evenings
Time: 6:30-8:30 p.m.
Fee: \$49

Learn the fundamentals of digital photography. Subjects covered include design and operation of basic digital cameras including pixels, resolution, file size, various camera shooting modes, exposure control, depth of field, elements of photographic composition, general camera handling techniques and other topics. Bring personal digital cameras to class.

Intermediate Digital Photography

Instructor: Rosa Miller
Location: Room 125, Wilson Building
Date: Nov. 5, 12, 19 & 26
Day: Monday Evenings
Time: 6:00-8:00 p.m.
Fee: \$49

Learn how to go from the automatic settings to more user controlled manual settings. Learn basic posing techniques for everything from babies to brides. Learn how different camera angles change the look and feel of your image. Prerequisites are the LSC-O Continuing Education Basic Digital Photography Class or 1 year of digital photography experience using a digital camera. Please bring your creativity and cameras to class.

Creative Digital Photography

Instructor: Rosa Miller
Location: Room 125, Wilson Building
Date: Sept. 10, 17, 24 & Oct. 1
Day: Monday Evenings
Time: 6:00-8:00 p.m.
Fee: \$49

Take your photography to the next level and go from ordinary to extraordinary. Learn how to build a complete image with or without the simplest of props. Posing tips and tricks for all types of settings and subjects. Prerequisites are the LSC-O Continuing Education Basic Digital Photography Class or 1 year of digital photography experience using a digital camera. Please bring your creativity and cameras to class.

The Business of Photography

Instructor: Rosa Miller
Location: Room 125, Wilson Building
Date: Oct. 8, 15, 22 & 29
Day: Monday Evenings
Time: 6:00-8:00 p.m.
Fee: \$49

Ready to start your photography business and have no idea where to begin? In this class you will learn about setting up contracts, pricing, branding, selecting the right product line to fit your style and more.

Photoshop Elements 10.0

Instructor: Eino Lilback
Location: Room 133, Wilson Building
Date: Oct. 1, 8, 15, 22 & 29
Day: Monday Evenings
Time: 6:30-8:30 p.m.
Fee: \$49

Learn to use Adobe's Photoshop Elements image processing software to edit, create and share your digital images. Improvements to Photoshop Elements 10.0 include an overhauled interface, refined selection tools, a guided edit mode, enhanced retouching tools, new tools to create composite images, special artwork effects, a streamline image organizer, simple image fixes and more. This is a hands-on course and each student will have computer access to practice various image editing techniques. No prerequisites, but a basic understanding of digital photography is recommended.

Lamar State College-Orange

WORKFORCE CERTIFICATE PROGRAMS

Phlebotomy

Instructor: Carol Gaspard
Location:
Date: Sept. 24-Nov. 19
Day: Monday Evenings
Time: 5:00-9:00 p.m.
Fee: \$450

This 68 hour Phlebotomy course offers 32 classroom hours comprised of theory and “hands-on” training, as well as, scheduling for 36 hours of clinical time. Topics such as, but not limited to, equipment, technique, safety and infection control are covered in the required book. Practice begins on training devices and graduates to live skin. Techniques taught consist of capillary puncture, syringe, vacutainer, winged infusion sets and blood culture draws. On the completion of all course requirements a Certificate of Completion will be awarded. Note: This program does not include a national or state certification as part of its overall objectives.

Physical Therapy Aide

Instructor: Staff
Location: Wilson Building
Date: Oct. 8-Nov. 28
Day: Monday/Wednesday
Time: 6:00-9:30 p.m.
Fee: \$999

This comprehensive 50-hour Physical Therapy Aide Program prepares students for the growing field of Physical Therapy. The Physical Therapy Aide is generally responsible for carrying out the non-technical duties of physical therapy, such as preparing treatment areas, ordering devices and supplies, and transporting patients working under the direction of the physical therapist. Furthermore, these workers assist physical therapists in providing services that help improve mobility, relieve pain, and prevent or limit permanent physical disabilities of patients suffering from injuries or disease. Physical Therapy Aides may be employed in nursing homes, hospitals, sports rehabilitation center and some orthopedic clinics. Note: This program does not include a national or state certification as part of its overall objectives. Price includes textbooks.

Patient Care Technician/Assistant

Instructor: Staff
Location: Wilson Building
Date: Sept. 25-Dec. 20
Day: Tuesday/Thursday/Saturday
Time: Tues./Thurs. 6:00-9:30 p.m.
Sat. 9:00 a.m.-4:00 p.m.
Fee: \$1,899

Patient Care Technicians work in hospitals, clinics, rehabilitation centers, long term care facilities, physician offices and assisted living facilities. These professionals must possess the technical skills necessary to service complex patient care issues including: rehabilitation services, diagnostic tests, basic bedside care, collection of laboratory specimens, Phlebotomy and EKG's. In addition to labs requiring a student to practice and demonstrate EKG, Phlebotomy and base line nursing skills, lecture topics of this program include: medical terminology, anatomy and physiology and miscellaneous patient care concepts. Other topics include: HIPAA; vital signs; patient care; personal hygiene and grooming and aseptic technique among others. This program meets the necessary requirements to take the National Healthcareer Association (NHA) - Certified Patient Care Technician (CPCT); Certified Nurse Technician (CNT); and/or Certified Patient Care Associate (CPCA) national certification exams. Price includes textbooks.

New Online E-Learning Healthcare Courses!

Lamar State College-Orange announces the availability of our new online e-learning healthcare courses from Health Ed Today! These courses are highly interactive and provide students with an enriched learning experience.

Each course was developed to ensure that students gain the necessary skills to excel in a professional healthcare environment. Additionally, these programs include access to an online community with interactive content and robust student services. Each course includes:

- 24X7 instructor support and course mentoring
- Online healthcare content that supplements each course
- Student and instructor collaboration
- Engaging labs, student exercises and course videos
- Additional labs and animated simulations
- Student pre and post assessments and online performance tracking
- National and state certification opportunities
- A secure Student Portal which includes: career guidance, resume writing and other career resources

The following courses are available anytime!

- EKG Technician / Student Tuition: \$1,299
- Medical Billing & Coding / Student Tuition: \$1,399
- Medical Coding ICD-10 / Student Tuition: \$1,299
- Phlebotomy Technician / Student Tuition: \$1,299
- Dialysis Technician / Student Tuition: \$1,299
- Medical Terminology / Student Tuition: \$499
- ECG / EKG Courses for Nurses / Student Tuition: \$699

Ask us about national or state certification opportunities through these courses!

For additional information, please contact us at 1-888-574-6218.

How to Register

Registration may be handled in person at the Continuing Education Department at 506 Green Avenue. You may also register over the phone by calling 409-882-3321. We accept check, money order, VISA, MasterCard and Discover. Office hours are 8 a.m. to 5 p.m., Monday through Friday. Full payment is required at the time of registration.

Register by Mail

Complete the registration form on the back of the schedule and return it with a check or money order to Lamar State College-Orange, Attn: Continuing Education Dept., 410 Front Street, Orange, Texas, 77630. Checks and money orders should be made payable to Lamar State College-Orange or LSC-O. Tuition payment MUST accompany all registration forms.

Refund and Transfer Policies

Students will receive full (100 percent) refunds if they cancel the enrollment agreement prior to the first class day. No refunds will be given on the first day of class or thereafter.

Books and Supplies

If a textbook is required, it will be noted in the course description. Supply lists will be distributed the first class day or at the time of registration for those courses requiring special materials.

Faculty

Instructors for non-credit programs are selected from various area businesses, industries and educational institutions, as well as from the Lamar State College-Orange faculty. If you are interested in teaching a continuing education class please call us at 409-882-3321.

Continuing Education Units (CEUs)

Students may be awarded CEUs upon the successful completion of specified courses. One (1) CEU is issued for every 10 contact hours. Certificates are awarded based on successful course completion for selected courses. Successful course completion will be determined by one of two criteria: (1) attending 80 percent of class meetings and/or (2) making a passing grade on course content.

Class Cancellation

A minimum number of students are required for each course. Classes with insufficient enrollment will be cancelled, registrants will be notified and fees will be refunded. Refunds may take four to six weeks to be processed.

Register Early

Don't delay. Register for the course of your choice as soon as possible. Classes have limited enrollment and fill quickly.

OOPS!

We cancelled your class because we didn't know you were interested. Sometimes excellent classes with super instructors are canceled because people wait to register. Our programs need a minimum number enrolled before a class can run. So, don't wait! Avoid disappointment by registering early!
