## **2011-2012 Snow Removal and Spreading of Salt**

Thank you for your interest in providing a quote for snow removal and spreading of salt for the 2011-2012 winter season. In the past, we have supplied the salt for the season. But this year you will see a place to quote the contractor providing the salt due to limited storage at our locations.

Quotes will be received for this season until 9:00 AM on October 13<sup>th</sup>, 2011 at the Clear Fork Valley Local Schools Board Office, 92 Hines Avenue, Bellville OH 44813. Only quotes using the form on the follow page will be accepted. Quotes may either be mailed, or delivered in person during the hours of 6:30 AM and 3:45 PM. Quotes delivered after these hours will not be accepted as date and time of delivery cannot be verified.

Prior to submitting a quote, it is the contractor's responsibility to:

1. Verify lot size and areas to be cleared
2. Verify with the Director of Physical Facilities where snow may be piled
3. Repairs for any damages to curbs, resetting or replacing parking blocks, and seeding & straw or sodding damaged grass areas in the spring at no cost to the District.

The snow accumulation depth for each plowing/salting will be mutually agreed upon through a discussion with the contact person listed on the quote form and the Director of Physical Facilities.

Questions regarding the quote should be directed to Mr. Dale Bowman, Director of Physical Facilities, 419-886-4805 or 419-886-3855 extension 21.
