

ELIM Parent Support Association

VOLUNTEER FORM

We would like to invite you to become a part of something great for our children. Elim PSA enhances our school environment by sponsoring many events throughout the year. We work to help provide "extras" to the students and staff. The success of the Elim PSA **greatly depends** on parent and family volunteers to help us organize, plan and produce activities throughout the school year. PSA is always in need of more volunteers. Families graduate and/or move and we need to think forward so that we can continue supporting our children here at Elim. We welcome your involvement on **a large or small scale**, and with that in mind, please plan on joining us at our monthly meetings, which are held on the first Wednesday of each month October thru May and July at 10:45AM in the Dorm conference room. All of the money that is raised is turned back into something for the students and/or staff. Please complete the form below by checking off all that you can help the PSA with this school year and return to your child's teacher.

If you would like to receive the meeting minutes and PSA information through e-mail, please list contact information below. Due to the HEPA Law, **we can not obtain** this information through the school office. We make a **new list every year**; therefore please send in your information if interested. All information will be kept confidential and only used by the PSA Board Members.
THANKS for helping your child and all the students at Elim!!
