

Security of banks and other financial institution (SIGBANK 2012)

SIGBANK

Place: Hotel Dubrovnik, Zagreb
Date: November 22, 2012

Representatives of all leading Croatian and regional banks and insurance companies, security companies dealing with physical and technical protection, as well as representatives of other financial institutions are to take part at the conference.

WHY SHOULD YOU PARTICIPATE?

Prominent experts and practitioners will be talking about:

- risks that financial institutions and their logistics are exposed to, their prevention
- harmonizing Croatian legislation with the legislation of the European Union
- adjusting legislation to technological development and innovations in technical protection
- adequate dimensioning for safer positioning of security officers within the banks
- special security guard training in financial institutions protection
- optimal technical protection devices installation
