_____ and _____

verse twenty, *"Then God said, 'Let the waters abound with an abundance of living creatures, and let birds fly above the earth across the face of the firmament of the heavens,'"*

verse twenty-one, *"So God created great sea creatures and every living thing that moves, with which the waters abounded, **according to their kind**, and every winged bird **according to its kind**. And God saw that it was good."*

Definition: _____ evolution is change from one species to another species

verse twenty-six, "Then God said, 'Let Us make man in Our image, according to Our likeness; let them have dominion over the fish of the sea, over the birds of the air, and over the cattle, over all the earth and over every creeping thing that creeps on the earth.'"

Please notice God introduced Himself with personal plural pronouns: underline three words.

"Then God said, 'Let **Us** make man in **Our** image, according to **Our** likeness'. This is the first recorded biblical reference to the triune Godhead; that this one being called God exists in three co-equal persons: a Father, a Son and a Holy Spirit.

This statement is an unmistakable reference to multiple persons in the Godhead because the name of God that is used in the first 25 verses of Genesis chapter one is a plural name

In **Genesis chapter one** the original Hebrew word that is translated as God is the plural noun _____. If a Hebrew word has an *im* ending on it then it's a plural word. God's plural name is indicative that God Himself exists in a plural form. He has a plural nature. He is a Father, Son and Holy Spirit. That is called the trinity and that's developed more in the New Testament.

verse twenty-seven, "So God created man in His own image; in the image of God He created him; male and female He created them."

verse twenty-eight, "Then God blessed them (the male and female) and God said to them, 'Be fruitful and multiply; fill the earth and subdue it; have dominion over the fish of the sea, over the birds of the air, and over every living thing that moves on the earth.'"

verse twenty-nine, "And God said, 'See, I have given you every herb that yields seed which is on the face of all the earth, and every tree whose fruit yields seed; to you it shall be for food.'"

verse thirty, "Also, to every beast of the earth, to every bird of the air, and to everything that creeps on the earth, in which there is life, I have given every green herb for food"; and it was so."

verse thirty-one, "Then God saw **everything** that **He had made**, and indeed **it was very good**. So the evening and the morning were the sixth day."
