The Advisory Bulletin

To: ALL EMPLOYEES	Date: February 13, 2014	No. 14370
Subject: CLOSING DATES FOR REQUISITIONS – Current Year 2013-2014		
Prepared By: Tom J. Ross, Director, Stores and Purchasing		
Approved By: Steve McClain, Chief Business Official		Page 1 of 1

PURCHASING DEADLINES FISCAL YEAR 2013 - 2014

***THE FINAL DATE TO SUBMIT REQUISITIONS TO PURCHASING IS
FEBRUARY 26, 2014***

This deadline applies to all orders for instructional materials, classroom and office supplies, and orders for new or replacement equipment. Requisitions to encumber funds for online ordering and Store stock requisitions are subject to the February 26, 2014 deadline.

The deadline applies to all types of purchases regardless of the budget utilized, including General Unrestricted, Lottery, Attendance Incentive and all Categorical budgets. Some grants, due to grant criteria, may be exempt from this deadline. Check with Fiscal Services if needed.

The only exceptions to the above deadline will be for the purchase of perishable food items used in classroom instruction and for end of the year activities. **School cafeterias** that buy food items under a standing purchase order at specified stores must have all paper work to the Food Services Department by May 7, 2014.

Duplicating requisitions received by June 1, 2014 and processed by June 30, 2014 will be charged to the 2013-2014 fiscal year. All duplicating requisitions received and/or processed after June 30, 2014 will be charged to the 2014-2015 fiscal year.

Please note: All items delivered to our warehouse July 1st or later will be charged to the school's or department's 2014-2015 budget. Funds for these purchases will *NOT* be automatically carried over from the current fiscal year.

Requisitions are processed on a "first in first out" basis. Requisitions received near or on the deadline will necessarily take much longer to process as we routinely receive thousands of requisitions this time of year.

As you prepare your requisitions for classroom and office supplies, especially printer ink and copier toner, please keep in mind that you are purchasing supplies to last until the end of the school year. As much as is possible, requisitions for "end of the year" activities (awards, trophies, etc.) should also be submitted by the February 26th deadline. Please call Tom Ross at extension 14711 with questions or concerns related to the February 26, 2014 deadline.

As you prepare your requisitions for "on-line" ordering, please keep in mind that you must use the requisition within the allotted "10 orders" per requisition.
