Everyone is encouraged to purchase at least a single membership. A family membership is appreciated, especially if both adults are planning to attend the meetings. You'll have to purchase a membership to vote in an election, be a board member or if you are faculty/ staff. You are not required to attend the PTA meetings, if you join the PTA. It is encouraged, but not mandatory. You need to a PTA Membership Card with you to vote in any school election.

Simply complete the bottom portion & return it with your payment to your child's teacher. Be sure to list names for every membership purchased. Children cannot be PTA members, but grandparents, aunts, uncles, etc. can join.

**Thank you for your continued support of Concord Elementary School  
& the future of our children!**
