

The Section of
**Neurobiology,
 Physiology,
 and Behavior**
 is proud to announce the

Neuroscience Minor

2006 – 2007
2007 – 2008

**PLEASE READ BEFORE
 COMPLETING FORM ON BACK:**

- File Minor in College of Major.
- Minor must be outside the department or curriculum committee of the major.
- Only one course may overlap between Major and Minor(s).
- Minor shall consist of 18 to 24 upper division units in courses specified by the department or committee
- Must have an overall 2.00 GPA in the Minor.
- One half of the units and courses must be taken at U.C.D.
- Any substitutions in course work from those listed on Minor petition must have a memo of approval from the minor adviser sent to the Dean's Office, College of Biological Sciences.
- List only upper division courses required for the Major and Minor.
- Major and Minor Advisers must sign form to verify courses listed.
- For specific deadlines, see the Academic Calendar in the General Catalog.
- For more information, call 752-9696

Neuroscience Minor Requirements:

Total..... 18 units
Required course..... NPB 100
Five Elective courses
Choose at least four from the following list:
NPB 103 – II (II)
 Cellular Physiology/Neurobiology
NPB 112 – I (I)
 Neuroscience
NPB 124 – II (II)
 Comparative Neuroanatomy

I = Fall 2006, II = Winter 2007, III = Spring 2007
 (I) = Fall 2007, (II) = Winter 2008, (III) = Spring 2008

- NPB 126 – II**
 Comparative Sensory Physiology
- NPB 160 – III (--)**
 Molecular and Cellular Neurobiology
- NPB 161 – III (III)**
 Developmental Neurobiology
- NPB 162 – III (III)**
 Neural Mechanisms of Behavior
- NPB 163 – II (--)**
 Information Processing Models
- NPB 164 – II (II)**
 Mammalian Vision
- NPB 165 – I (I)**
 Neurobiology of Speech Perception
- NPB 168 – III (III)**
 Neurobiology of Addictive Drugs
- NPB 169 – III (--)**
 Frontiers in Neurobiology

One of the following may be completed to fulfill the elective course requirement:

- PSC 113 – I, II**
 Developmental Psychobiology
- PSC 121 – I, II, III (I, II, III)**
 Physiological Psychology
- PSC 129 – I, II, III (I, II, III)**
 Sensory Processes
- LIN 175 – I**
 Biological Basis of Language
- PHI 103 – I**
 Philosophy of Mind
- HDE 163 – III**
 Cognitive Neuropsychology in Adulthood and Aging

The following courses are cross-listed and either offering can be used to fulfill the elective course requirement:

- NPB 124 / PSC 124,**
- NPB 160 / NSC 160,**
- NPB 163 / PSC 128**

(--) = Not offered
