### LEVON AVIATION

- will have a team of engineers on site for all of the air show; they will connect, disconnect, switch the equipment on and off and deal with any technical issues and concerns
- will provide backup units for all equipment, so that the exhibitors are never without power or cooling
- hold a comprehensive insurance of up to £5mn for any accidental damage to exhibitors' aircraft.

**Please fax you order to +44 (0) 1179600528 or email to info@levonaviation.com**
