ONE (1) YEAR SERVICE AGREEMENT

This Service Agreement is designed to check, clean, and maintain your Heating, Ventilation, and Air Conditioning (HVAC) systems and promote reliability, safety, and efficiency. The agreement establishes inspection criteria for the complete analysis and performance check of the system at all points that would normally fail due to age and normal wear and tear operation. Our goal is to ensure your system is operating safely and to provide a protection against major breakdowns by recommending replacement of worn parts, thus eliminating unexpected losses of comfort. All work shall be performed in accordance with current laws and regulations. Any work that would incur additional costs will be performed only upon written orders authorized by you at that time. You will be provided with a preferred pricing rate for any additional work quoted/performed throughout the duration of this agreement. All agreements contingent upon strikes, accidents, or delays beyond our control. Advanced Energy Services, Inc. agrees to remain fully licensed, bonded, and insured according to the appropriate regulatory agencies in the State of California. All work performed is guaranteed for a period of at least one year.
