4. Which pages show maps of the world?

10–21 22–27 28–37

5. Which pages are the index?

4–9 52–53 54–56

Turn to pages 54–56 in your Map Champ Atlas.

On page 54, the Parrot and the Tiger introduce you to the Index. The Parrot says the index tells you where to find places. Find the United States on page 56 of the Index. What two things does the Index tell you about the United States?

6. _____

7. _____

Name _____

Date _____

The index will also help you pronounce some place names.

8. On page 54, find Cairo. Write its pronunciation.

The index also tells you that Cairo is the *cap. of Egypt*. Turn to the inside of the back cover.

9. What does the abbreviation *cap.* stand for?

Look at the picture labeled A. Then look at the words under the picture. Those words are a picture's caption. A caption tells you a little about a picture. Read the caption and complete the sentence.

10. Most of the time, we see buildings with a view from

_____.

Another Map Champ will always tell you what to do if you have extra time.
