Omdat ons met die harte van mense deal, kan die skool baie intens wees. Persoonlike reaksies op die lering en kleingroepbediening, kan behels: uitdrukking van woede, vooroordele, afkeure, vreesbevangenheid, angs, slaaploosheid, depressie, disassosiasie, ens. Hierdie is nie die enigste emosies nie, daar kan ook ander reaksies wees. As gevolg van beperkte tyd, sal al u persoonlike behoeftes nie gedurende die tydsduur van die skool aangespreek kan word nie. Dit is 'n lewenslange proses. Ons doel is egter om u toe te rus met die gereedskap om 'n pad van voortdurende genesing te stap na die skool. Dit mag ook wenslik wees om verdere terapie te ondergaan, nadat die skool afgehandel is. In die geval waar u bewus is van erge verwonding of probleemareas in u lewe, beveel ons aan dat u individuele berading of bediening ontvang voor u inskryf vir die skool. As u reeds berading/bediening ontvang, vra ons dat u die skool en of dit

Because we are dealing with the hearts of people, the school can, at times, be very intense. Personal responses to teaching and small group interaction may include, but is certainly not limited to, some of the following: expression of anger, prejudices, resentments, apprehension, anxiety, insomnia, depression, dissociation, etc. Because of time restraints, all of your personal issues will not be dealt with during the course of the school. This is a lifelong process. However, we do give you the tools to pursue further healing, and you may want to pursue further ministry once the school is complete. If you feel there is already significant life issues that need to be addressed, ministry of counsel prior to your enrollment in the school is advisable and always beneficial. If you have been seeing a counselor, we ask that you discuss the school with your counselor and receive their approval. (Signature required below).

wenslik is om te doen, met u berader bespreek en sy/haar goedkeuring vra. (Handtekening van berader vereis word).
