Order Form
www.lmrc.org

In honor of our 60th anniversary, the Lansing Model Railroad Club is offering a custom-painted, Bowser, **Millett & Northern (M&N) covered hopper car**. This sharply detailed 70-ton, two-bay, open-sided, covered hopper sports the club's whimsical Hogsback Route logo. Each car is numbered individually for significant milestones including the year the club was founded (1953), year moved into the Millett depot (1959), year of incorporation (1968), and the 60th anniversary year (2013). The Millett & Northern Railroad is a subsidiary of the club's main road the Hogsback and Southern Railroad.
