Applications Accepted Immediately

Participants of the 2011 Apple Blossom Festivals may request the same space(s), but applications **MUST** be post-marked no later than **December 31, 2011** (no exceptions).

A map of the fairgrounds showing booth spaces is enclosed (Outdoor spaces are indicated on the front. Indoor and barn spaces are indicated on the back of the map). If you desire the same location that you had in the past, please refer to the map and list the space number on your application. Please remember indoor spaces are the first spaces to be requested so apply accordingly. **We will do our best to assign you to your requested space(s); however we do reserve the right to assign you to a different space if your requested space is not available.** The Apple Blossom Festival Committee is responsible to make decisions that will benefit the entire festival, not just the needs of a single individual. Due to health concerns, **all scented items** will need to be assigned to an outdoor space.

Only quality crafts, **hand-crafted** by vendor and/or family members may be sold. Absolutely no kits or commercially made items will be allowed (exceptions are commercially made items that are an integral part of the hand-crafted item, example-light bulbs). The Craft Committee reserves the right to refuse the sale of any item that does not comply with these regulations.

Craft persons must provide their own tables, display boards/cloths, chairs, and tents (if outdoors). There are spaces with risers in Building 3 and are assigned on a first-requested-first-served basis. (The first step is 2 ft. high; total riser depth is 4'2".) A picture of a riser is included on the back of the location map.

Application Deadline is April 25th. No refunds will be made **after April 1, 2012.** Please complete and mail the enclosed application including sales tax ID#, along with required fee, made payable to **Adams County Fruit Growers Association** to:
