Budget Breakdown

When working out the cost of your project, remember to include:

- fees to artists for leading workshops or performing
- equipment (e.g. hiring a PA system, projector, etc)
- travel costs
- food costs
- marketing and promotion costs (e.g. printing posters, taking out an advert in your local newspaper, etc)
- venue hire

You might not need the Highland Youth Arts Hub to contribute to some of these costs because you can get them “in-kind.” For example, maybe you can access a venue or equipment free of charge or perhaps your local newspaper will write a story about your project instead of you having to pay to take out an advert. Highlight any other contributions, including “in-kind” contributions where you are able to, below

Please fill out the table below as much as you can:
