Current flea & tick prevention treatment: _____

Does your dog have any allergies? _____

Other medical problems/conditions: _____

What do you feed your dog and will you be supplying this food with them? _____

Quantity fed: _____ Time (s): _____

We feed a high quality hypo-allergenic food that is wheat, gluten and soya free and contains no artificial preservatives, colours or flavors however we are quite happy to feed your own dog food if supplied when you dog comes to stay.

Can you tell us a little about your dog's daily routine so that we can make them feel at home whilst staying with us? i.e. what time they get up and go out, what type of exercise they are used to i.e. walks on/off a lead, free running in the garden or out in parks: _____

Behavioral Problems if any. Please give details of any of the problems listed below. To ensure your dog has a happy stay it is essential that we know as much as possible that way we can be prepared and make sure they enjoy their holiday with us. Many dogs have one or more of these problems which can often be associated with a previous bad experience or separation anxiety.
