Garden service for older and disabled customers

Many people need help to get their gardens tidy and looking good. For just £6.50 a week, our landscape contractor will visit you once every two weeks from April to October and once every four weeks from November to March, to tidy your garden.

To receive this service, you must be over 60 or have a disability which prevents you from looking after a garden. Also any tenant of Warrington Housing Association can use this service.

For £6.50 a week we will:

- Cut grass and remove cuttings;
- Cut and edge borders;
- Weed flower borders and apply weedkiller;
- Weed and sweep paths;
- Cut hedges twice each summer
- Put rubbish in your wheelie bin or remove it.
- Dedicated two person team at each visit.

We will deal with any issues on your behalf with the contractor. Payments should be made by direct debit at £28 per month. Payments are spread out across the year. Cash payments are not accepted for this service.

What would be better than relaxing in the summer in your very own well maintained garden?
