Nutrition Note

Vegetarian Eating: Is a member of your family vegetarian? You may need to find new ways to prepare some family meals. Involving your children in making meals can help them learn how to cook and prepare a nutritionally balanced meal. There's more to being a vegetarian than simply eliminating meat!

Cut Knife Elementary School
Community Council's Annual General Meeting

Wouldn't you know it; the annual general meeting was held on the 14th, the day of the snow. Because of the bad weather and roads, attendance was very low thus resulting in unfilled positions.

On the council now are:

Elected Members: Lorie Gibson, Michelle MacDonald, Inga Rotoca, Dawn Friesen, and Warner Ignatiuk

Appointed Members: Karalyn Brown, Janelle Lemon, Heather Krissa

Representative Members: Poundmaker- Tania Antoine

This leaves 4 elected member vacancies and 2 representative members, Little Pine and Sweetgrass. The elected members are members living in the Cut Knife attendance area and/or have children attending Cut Knife Elementary School.

To fill these vacancies, we will welcome the first 4 nominations before April 30th. See attached nomination form.

If you reside on Little Pine or Sweetgrass and have children attending Cut Knife Elementary and want to represent your community, please call Cecilia Leibel.

The council meets approximately 7 times per year at the school and the work they do is very beneficial to supporting school goals and student learning.

They are also an excellent liaison between the school and community.

Thank you for be an important part of the School Community.
