RE: Student Injuries and Insurance

Dear Parent:

The Matanuska-Susitna School District does not provide medical insurance coverage for school accidents. This means that you are responsible for the medical bills if your child gets hurt during school activities. The accompanying student accident/health insurance plans are offered to help you pay those bills.

Many coverage options are available. The Student Health Care and High Option 24-Hour Accident plans are especially recommended for those students with no other insurance because they provide the most help when injuries occur. Student Health Care covers illness as well as injury, 24 hours a day.

If your child does have other health coverage, this student insurance may also be used to help pay those eligible charges not covered by other insurance (i.e. deductibles and co-payments).

Please read your brochure carefully. If you have any questions, please call the plan administrator, Myers-Stevens & Toohey & Co., Inc. at 1-800-827-4695 or 1-949-348-0656.

In order to document your having been notified of this matter, please sign and complete the bottom of this form and send it back to the school with your child immediately.

Sincerely,  
Susan Taylor  
Insurance/Risk Manager
