### PLEDGE FOR PARENTAL INVOLVEMENT

As a parent, guardian, or caring adult, I hereby give my pledge to support a high-quality education for all of Florida's students to the best of my ability.

I have high expectations for my child and all of Florida's children to succeed in school and in life.

I pledge to stay involved, serve as a positive role model, and maintain open communication with my child's teacher and school to ensure education remains a top priority in my household.

I understand it is my responsibility to stay informed and involved in all aspects of my child's education.

Education is the key to success, and I will do everything I can to nurture my child's ability to learn.
