

Hydration Poster Contest

What: Poster Contest - Design a poster on any 8.5 x 11 piece of paper. One poster per child. (any color, weight or texture).

Why: Provide information on the poster as to why hydration is important to the human body. Posters must be creative and informative!

When and Where: Due date is Tuesday, January 7th to your child's teacher. Please wear blue on Jan. 7th to help promote the importance of hydration. Winners will be announced in mid February.

Who: One student from each grade will be chosen for best design and receive a free Glasstic Water Bottle with the Manatee Bay logo on it.

Winners will be chosen by Mrs. Devaughn and judged on unique design, understanding of concept and personality. Posters will be hung throughout the school for all students to view.
