**Bidder's Information**

The undersigned bidder hereby offers and agrees, if he/she is declared highest bidder through sealed bid auction, that all structures and associated materials will be removed within 60 calendar days of notification of winning bid.

Successful bidders will be notified within 10 days of bid opening and will be required to provide a performance bond of \$1,000.00 (per applicant, not per building) in the form of a certified check, cashier's check, or bank/postal money order. Personal or company checks will not be accepted. All checks will be made payable to the "U.S.D.A. Forest Service".

Buildings sold "as is". Bidders are strongly encouraged to inspect buildings in person before submitting a bid.

Successful bidders will be responsible for:

- Submitting a detailed description of removal plan with bid form (see page 2).
- Safe removal and legal disposal of all hazardous materials.
- Conducting all work in a safe manner. Failure to perform work safely may result in immediate suspension of operations and termination of successful bid.
- Notifying Oregon Dept. of Transportation (ODOT) if intend to move oversized loads on HWY 395.
