

The School Tools for Nurses Program

A partnership between SSM Health Cardinal Glennon Children's Hospital and SSM Health St. Clare Hospital.

About us

The School Tools for Nurses program is a collaboration between SSM Health Cardinal Glennon, SSM Health St. Clare and Midwest Multistate Division, an accredited approver by the American Nurse Credentialing Commission on Accreditation which serves both Missouri and Illinois. These institutions are committed to strengthening pediatric assessments and management skills in the school setting, while identifying resources that can assist with the health care needs of children.

School Partnership Program | School Tools for Nurses

Program Overview

Both the new and experienced school nurse will learn practical information and strategies to help them with their daily decision-making process.

Objective

This conference will enable the school nurse to:

- Strengthen their pediatric assessment and management skills
- Identify resources that can assist with health care needs of children

Accreditation

SSM Health Cardinal Glennon Children's Hospital is an approved provider of continuing education by the Midwest Multistate Division, an accredited approver by the American Nurse Credentialing Commission on Accreditation.

* Five contact hours will be awarded for the full attendance of this conference.

Registration

The attendance fee is \$30 and includes registration, breakfast, lunch, a snack and course materials. Registration must be received by June 30, 2016. No refunds will be given. A confirmation letter and map will be sent upon receipt of the completed registration form and payment.

We reserve the right to substitute speakers in the event of an emergency or cancellation.
