Chaperones are a very important part of the NorthBay experience and we need responsible and reliable parents/guardians to help make this trip an unforgettable adventure for the 6<sup>th</sup> graders at HCMS.

This is an incredible opportunity for the students, as well as the parent chaperones. It is imperative that we have enough chaperones for the trip, so please consider joining your student on this amazing adventure!!

The trip begins with the bus ride to NorthBay Wednesday morning (May 11) and ends Friday afternoon (May 13) back at HCMS. The continuity of having chaperones for the entire trip is very important. Please check below if you can join us for the entire trip!!

\_\_\_\_\_ Yes! I can chaperone for the entire NorthBay trip beginning on Wednesday morning, May 11 at HCMS and ending Friday afternoon, May 13 at HCMS.

By turning in this form, you are agreeing to join HCMS for the NorthBay field trip. Andrea Kelly will contact you regarding your participation.

If for some unforeseeable reason you realize you cannot meet the commitment after agreeing to join us, please contact Andrea Kelly (andrea\_kelly@hcpss.org) immediately and if possible, try to have an alternative chaperone available to take your place.
