

## 2013 Suggested Report EVANGELISM

2013 has been a year of training for the 2014 emphasis, **SERVING ACROSS ALABAMA, "LOVE LOUD"**. As with each GPS emphasis, we have offered multiple training opportunities and materials for an entire year! The primary resource is "His Heart our Hands". We have a copy for every church so make sure you pick up your copy from your Director of Missions.

What a joy to report that this year's Senior Adult Evangelism Conference may have been the best ever. That may sound like a biased observation but it's based on the feedback we received from those who attended. Dale Huff, Bobby Welch, Daniel Wilson and Karen Peck and New River were an awesome ministry team that God used in a mighty way. The 2014 SAEC lineup is equally outstanding. This conference will be at Lakeside BC, Birmingham, Alabama, May 5, 2014. See you there.

The State Evangelism Conference continues to be one of the most tremendous sources of motivation and training for both pastors and laymen. Words cannot adequately report the results of last year's SEC. You truly had to be present to know what God did. It was a turning point in the lives of many and continues to *"bear fruit that remains"*. The 2014 program will include: **Alan Floyd** from Cottage Hill, **Steve Gaines** from Bellevue, **Brett Pitman** from Highland Park, **Vance Pitman** from Las Vegas and **Bob Pitman**. We will have *"The Voices of Mobile"* from the University of Mobile and **Guy Penrod** providing special music. The closing service will feature **Jim Cymbala** from Brooklyn Tabernacle. God has given us the very best. Make plans now to attend. The conference will be **February 24-25 at Eastmont Baptist Church in Montgomery**.

This past year our association reported (\_\_\_\_) churches, baptizing (\_\_\_\_) people. This is an (increase/decrease) of (\_\_\_\_) from the preceding year. Baptizing an increasing number of people during the coming year is, as always, our primary goal.

Our association is involved in evangelism through the following associational projects for this next year:
