

Stony Point Agricultural Science Facility Addendum

Stony Point Agricultural Science Facility will be referred to as "SPASF", and Agricultural Science teachers will be referred to as "AST" for the purpose of this addendum.

- I. Follow RRISD Farm Facility Rules & Livestock Guidelines
- II. Facility Access
 - A. Students:
 1. Each student with a livestock project housed at SPASF will be issued 1 facility access card.
 2. Students will have access to the barn areas between 6:00 am and 10:00 pm daily and are required to have their access card for entry.
 3. Please inform an AST if an access card has been lost or stolen. A replacement card will be reissued to the student and a fee of \$25 will be charged.
 - B. Visitors & Volunteers During the School Day:
 1. The SPASF is considered a classroom. For this reason, Visitor and Volunteer access hours are from 6:00am - 8:45am and 4:15pm - 10pm to limit disruption of instruction.
 2. All Visitors and Volunteers must check-in with the SPHS Main Office, during school hours, before arrival to the SPASF.
 3. In accordance to the Secondary Student/Parent Handbook page 67, Visitor and Volunteer section, the following must be observed:
 - a) "Parents are always welcome, but we request that they make an appointment to see a teacher, administrator, or to visit a classroom. Such visits shall not be permitted if their duration or frequency interferes with the delivery of instruction or disrupts the normal school environment."
 4. In the event of an emergency, please contact ASTs to make arrangements.
- III. SPASF Expectations
 - A. Feed Storage
 1. Storage Container and lock will be provided by RRISD. It is highly encouraged that students lock their containers after they are done using them.
 2. One feed storage container will be issued for every 2 students.
 - B. Daily Care Log Sheets
 1. Students are required to keep a weekly record of animal care on a Daily Care Log sheet.
 2. The DCL must be signed and submitted Monday mornings to AST.
 - C. Barn Maintenance
 1. All solid waste is to be disposed of properly.
 - a) Solid Waste includes, but is not limited to the following:
 - (1) Sand
 - (2) Shavings
 - (3) Feces
 - (4) Hair/wool (*place in trash, not compost*)
 2. Each student will be assigned barn duties throughout the year.
 3. You are responsible for notifying the ag teachers and barn manager a minimum of 7 days in advance of your assigned day if you are trading days with another team member, otherwise you will be held responsible for that day.

D. Exhibitor Behavior

- 1. It is a privilege to have the opportunity to use the SPASF. ALL students will conduct themselves in a manner that that represents RRISD, SPHS, and SPHS FFA with respect, class, integrity, and high morality.**
- 2. All RRISD/SPHS rules established in the Student Handbook apply to the SPASF as well.**

E. Corrective Action Plan (“CAP” Form)

- 1. A Corrective Action Plan, or CAP, will be given to a student whenever an infraction of rules or expectations occurs. (ex. uncleanliness of pen or barn area, failure to perform assigned tasks, etc.)**
- 2. In the event an infraction occurs, a CAP will be given to the student. All CAP forms must be signed by the student and parent (if necessary) and returned to an AST within 3 days of the issued day.**
- 3. A CAP form is intended to be a learning tool and means of documented communication between ASTs and students to assist students in successful implementation of best practices to ensure an optimal and positive supervised agricultural experience.**

F. Barn Committee

- 1. The barn committee will be comprised of selected SPHS FFA show team members who will serve in a leadership role and establish positive morale, camaraderie, and support among the entire SPHS show team, as well as help maintain the highest sense of pride in the facilities, program, its members and the SPHS community.**
- 2. The barn committee will comprise of a committee chair, two vice chairmen, and project managers. Please see additional information on criteria for respective positions.**
- 3. The barn committee’s responsibilities will include:**
 - a) being positive leaders in the barn**
 - b) building and maintaining barn moral**
 - c) implementing a peer mentoring program between veteran and new show team members**
 - d) organizing social events**
 - e) organizing barn maintenance calendar**
 - f) assisting in show prep and after show clean-up**
 - g) working with and maintaining a positive relationship with ASTs, administration, and program and community members**
