# CALENDAR TICKETS 2015

*~ Last Call - New Year's Day is almost here! ~*

**Only 500 tickets have been sold and returned as of November 13. Please remember this is one of our biggest fundraisers for the PWCA. We have various activities and celebrations throughout the year as well as the maintenance of our two buildings, grounds, and Campbells Court. Unfortunately, everything comes with an associated cost and this daily ticket is one way in which we are able to keep members "out of pocket" costs to an absolute minimum for activities that require a co-payment as well as keep our buildings in good shape for rentals and meetings.**

**Tickets can be picked up at bingo on Sunday evenings, Tuesday afternoons, or other arrangements can be made by contacting MADDIE OR JEFF.**

**They are still only \$25.00 each & you have 365 chances to win in the coming year!**

*They make great gifts!*

*Especially for the hard-to-buy-for-people in your life!!*

## **Ballroom Dancing Lessons at PWCA**

**March 7, 14, 28, and April 4 at 7 PM**

(If there is a lot of interest, we will continue these lessons through 2015.)

Have you ever been at a wedding and wished you could get up and dance or hear about other people who are learning how to dance and how much fun they're having? Well this is your chance to allow dancing to come into your life. Jessica DeOrio is a certified ballroom dance instructor. She has been making nondancers into dancers for over 12 years. You do not need to have any dance background to come and enjoy this beginner ballroom class. She will start you from the very beginning, introducing some of the most popular social dances to you in this 5-week course. She does recommend having a partner but if you do not you can still participate in this class. Some dances that may be introduced are the Fox Trot, Waltz, Hustle, Swing, Rumba, and Cha Cha. All you need to bring is yourself. Again there is no need for any dance background to learn how to partner dance. We recommend you wear some sort of shoe you would typically wear to a wedding or an event that would have dancing. No tennis shoes. Women do not need to wear heels just something they can move their foot around in comfortably. We hope to see you at these exciting classes!

Don't forget to mark your calendar!
