

3rd Annual Golf Tournament

to benefit HelpHOPELive
Mid-Atlantic Spinal Cord Injury Fund
in honor of

Jim Kleyle

Friday, June 28, 2013

On April 7, 2010, a beautiful sunny spring afternoon, Jim Kleyle's world was altered forever in the blink of an eye. Driving home after a day at school where he tackled his 3rd quarter grades and assisted with the upcoming spring musical, his car was struck in the driver's side door. The end result was a C5 spinal cord injury that rendered him a quadriplegic.

With a positive outlook and a never-say-die attitude, Jim has made extraordinary strides toward building a fulfilling and productive life. Despite his physical limitations, his mind is still sharp and he proudly volunteers with students in the schools, community and at church. If you know Jim, you know he is happiest when working with young people. He is challenging himself by doing a bit of writing and he and his beloved bride Karen "Sweetie" are beginning to do some traveling and are planning on more adventures. Jim is gradually becoming more involved with area theatre; a facet of his life that he is passionate about. All in all, Jim focuses on what he is able to do and the possibilities the future holds.

None of this would be possible without his network of incredible friends and family who have never failed to be by his side through the best and the worst of his recovery. Jim still faces many obstacles as he strives for a semi-independent lifestyle. Physical therapy, adaptive equipment, home modifications, medications, and a personal care attendant are all mounting costs for Jim. It is through your generous contributions and participation in these fundraising events that help Jim stay afloat and headed in a positive direction. They are eternally grateful for everyone who has come to their aid. God bless you all!
